WESTON THEATRE COMPANY

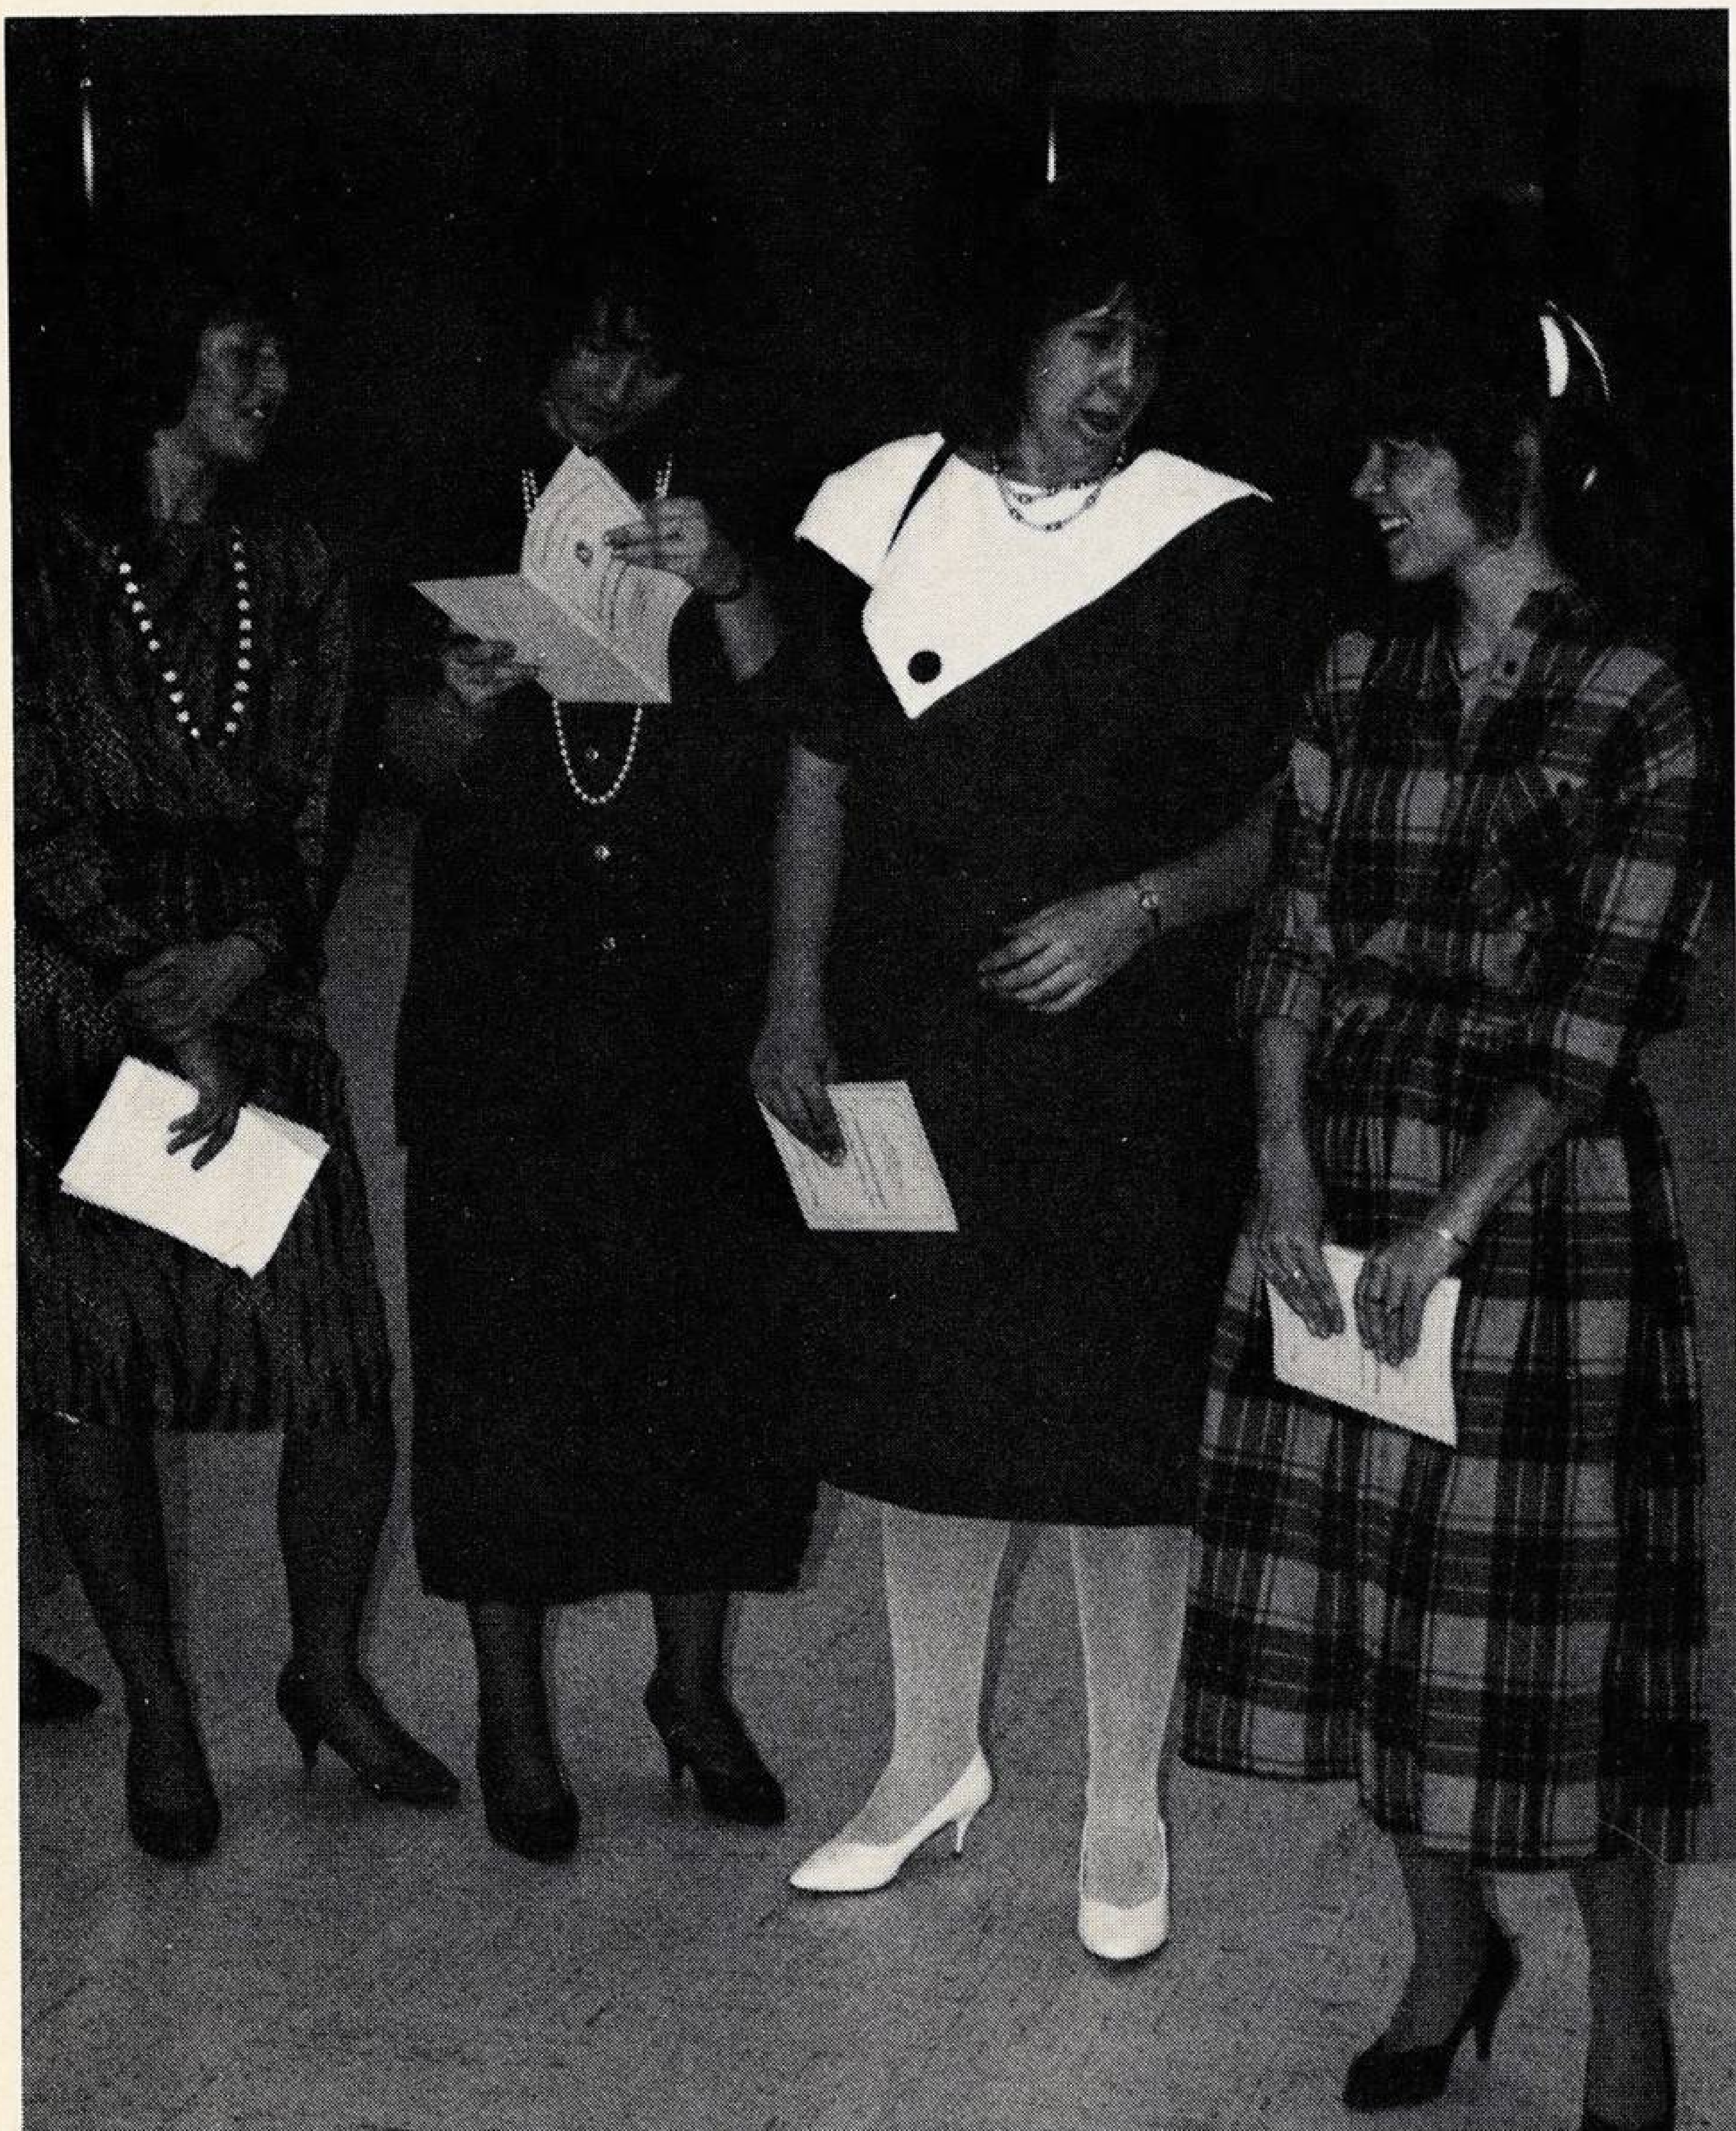

In the spring of 1986, the Weston Theatre Company produced GODSPELL. This spectacularly bright and musically exciting extravaganza delighted the hearts of all who saw it. Ed Adams, as Jesus, led his followers through a collection of sometimes humourous and often poignant stories from the Bible. Deidra Lussow's sparkling costumes topped off the show with their flash and pizzaz! As the band played and the cast sang, we all found new energy to keep on going "Day By Day"

Memories

As we sit and recall
The tears and the laughter
We'll have all these memories
To keep from here after.

We'll never forget
The love we all shared
We'll always remember
How much we all cared.

We went there together
But we were all alone
It was almost as if
We were in a different time zone.

To be a family
And really trust
We found that team work
Was a definite must.

We left there with tears
And people we know
We came home with friends
That put on no show.

We're going to make
This experience last
It's not going to perish
It's not going to pass.

We wish we could explain
The experience we had
If you understood just a little
We'd really be glad.

But we don't think we have to tell you
The message we're trying to say
If we've got across to one person
It has definitely made our day.

A Sense of Love

They spoke of love with stuttered speech,
shuttered mind and unclear thoughts.
I listened,
Heard nothing.
Felt nothing.
Then I spoke of love with DUMB voice,
Groping in the dark.
Hoping to find my way out with no words.
I reached out,
Touched nothing.
I listened,
Heard nothing.
And then I thought of love with CLOSED MIND,
Groping in the dark.
Hoping to find my way out with BLANK thoughts.
I reached out,
Touched nothing.
I listened,
Heard nothing
So I thought of love with eyes WIDE open,
Speech unimpaired,
mind CLEAR.
I reached out,
Touched happiness.
I listened,
Heard joy.
And seeing through the darkness I felt,
With unclogged heart LOVE.

What Could Have Been

Sometimes I look for you
in places you used to be,
and holding my breath
I hope you'll be there,
because I've forgotten
that you're not here.

How would it be now
if you were here?
Would we be friends?
Would we be less?
Or would we possibly be
the way we were then?

But there's no use in asking
what could have been,
there's no use in dreaming
wishing for the past.

How would it be now
if you were here?
A constant question, a constant care,
until I remember,
that life does go on
and with a smile for our memories
I realize
that I don't really care about
about what could have been.

Denise Glagau

My Friend

I really missed
our friendship today
before I would have put
my head on your shoulder
and cried
but now
you can only give me
a
few
comforting
words
no hug
no feeling
I miss you my friend

UNDER

Flying Free

My heart beat,
Quickly does it race.
The circus crowd,
Has filled the place.
My costume,
Soft embroidered lace.
The spotlight.
Warm upon my face.

The rope ladder
Teeters as I go.
The trapeze bar,
Hangs ready for the show.
As I ascend
I seem to know
confidence makes my heart glow.

The house lights dim.
The spotlights shine
The catchers hands,
Reach out in time
His arms of steel,
Encircling mine
A difficult performance
works out just fine.

Robin Stewart

Fifteen

I am fifteen, O hear me
I am fifteen, O hear me.
I don't ask for gifts or
money,
I just ask that you
understand

- your're selfish!
- you're evil!
- Grow up!

They shout at me,
laugh at me,
O I am so confused!
I am fifteen, O hear me.

Have mercy on me, for
today, growing up is
indeed a task!
Give me your hand,
guide me!

But please, do not
lecture me!
I am fifteen, O hear me.

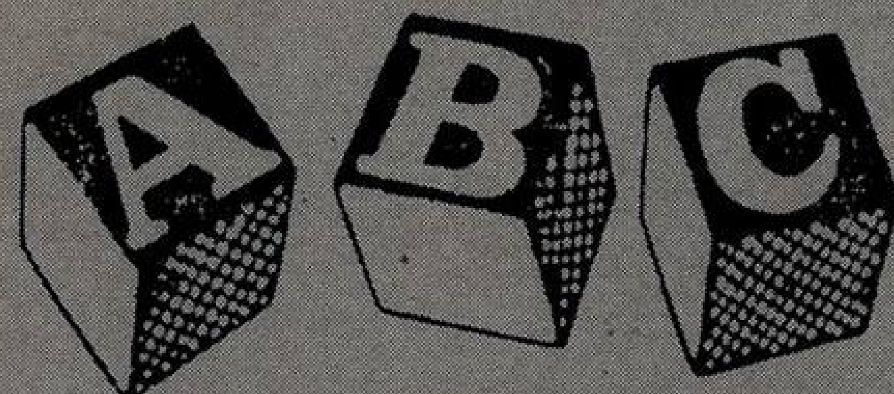

Silvana Cesario

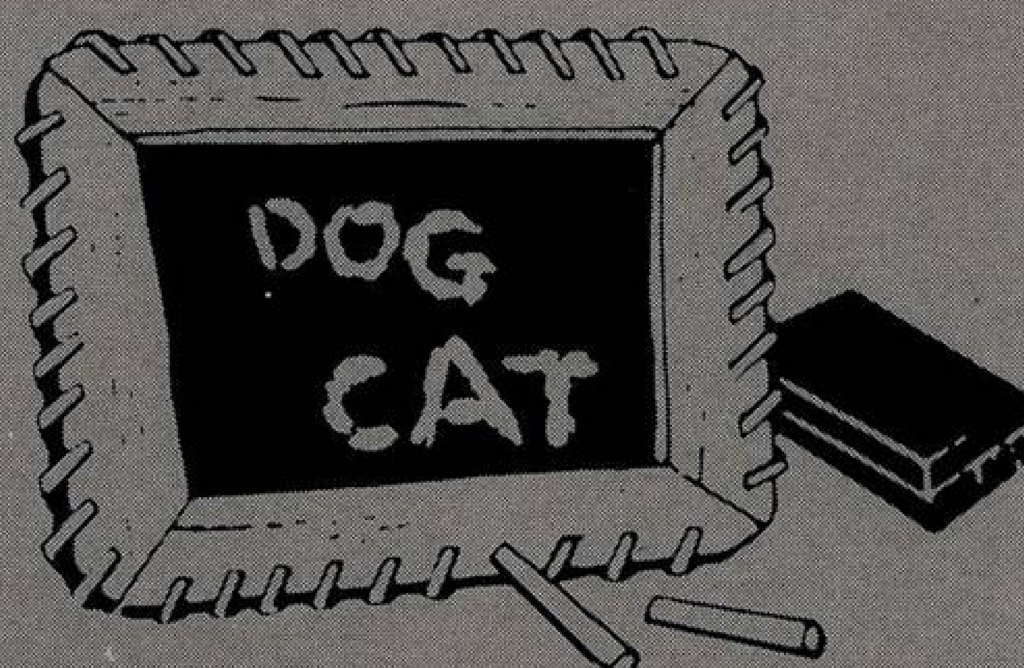

Time

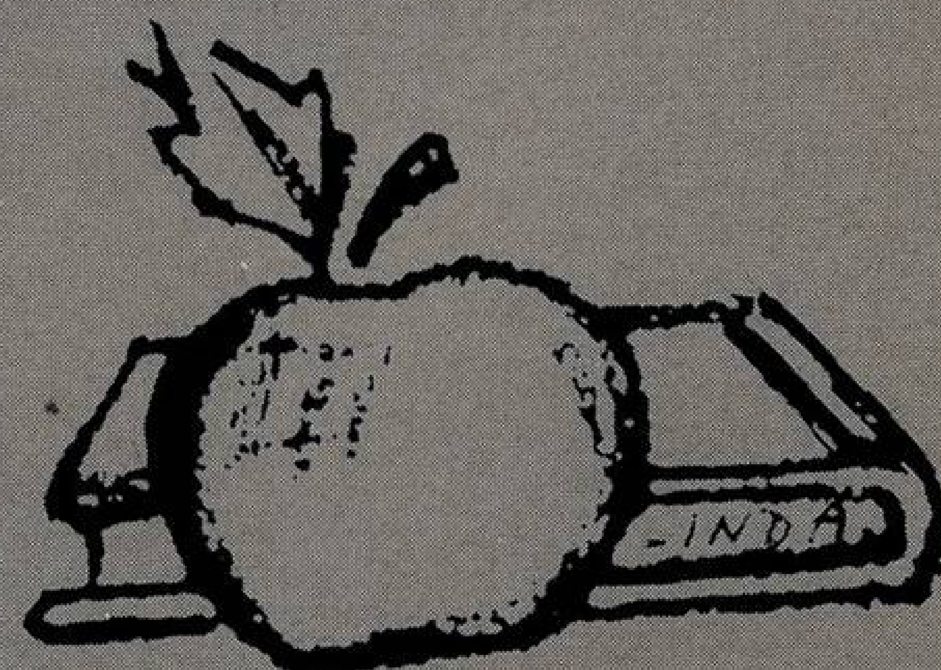

I am there in the morning,
I am there at night.
There is always too much
Or never enough.
I am time and I never stand still.

You make me up of hours and minutes.
You try to hurry then slow me down.
I am always there, I never change direction.
Things can happen, things can change.
I am time and I never stand still.

GRADS

Toronto

Walking down the street,
I notice:
nice purple hair
anatomically revealing pants
ouch! pardon your spikes
who spit on the sidewalk?

A dead dog
neon lights hurt my eyes
it's too cold . . . for shorts
my god, I'm a minority!
bus is late as usual
construction has gouged a hole . . . in the city

Why so many children
a used clothing store
that costs too much for me
(empty wallet, got mugged)
another job ad
why is he looking at me like that?
why am I looking at her like that?
. . . I have come to the end
of the street, I'm standing
in Lake Ontario.

Kelly Nesbitt

Shouting!

Sounds resounding in my head,
boyfriend, parents, friend, sister.
Why so loud? Why so angry
I'm sitting right here,
and listening.
Listening to the discord of voices
rising and falling to the
point of meaning.
Meaning war, meaning peace.

Can't you ever speak softly
to me, I'm the one
who . . . hears!

Kelly Nesbitt

Sometimes . . .

sometimes I feel like
I can smile again
no more
painful memories
just
happy thoughts

sometimes I feel like
I can accept it
us existing apart
less than a friendship

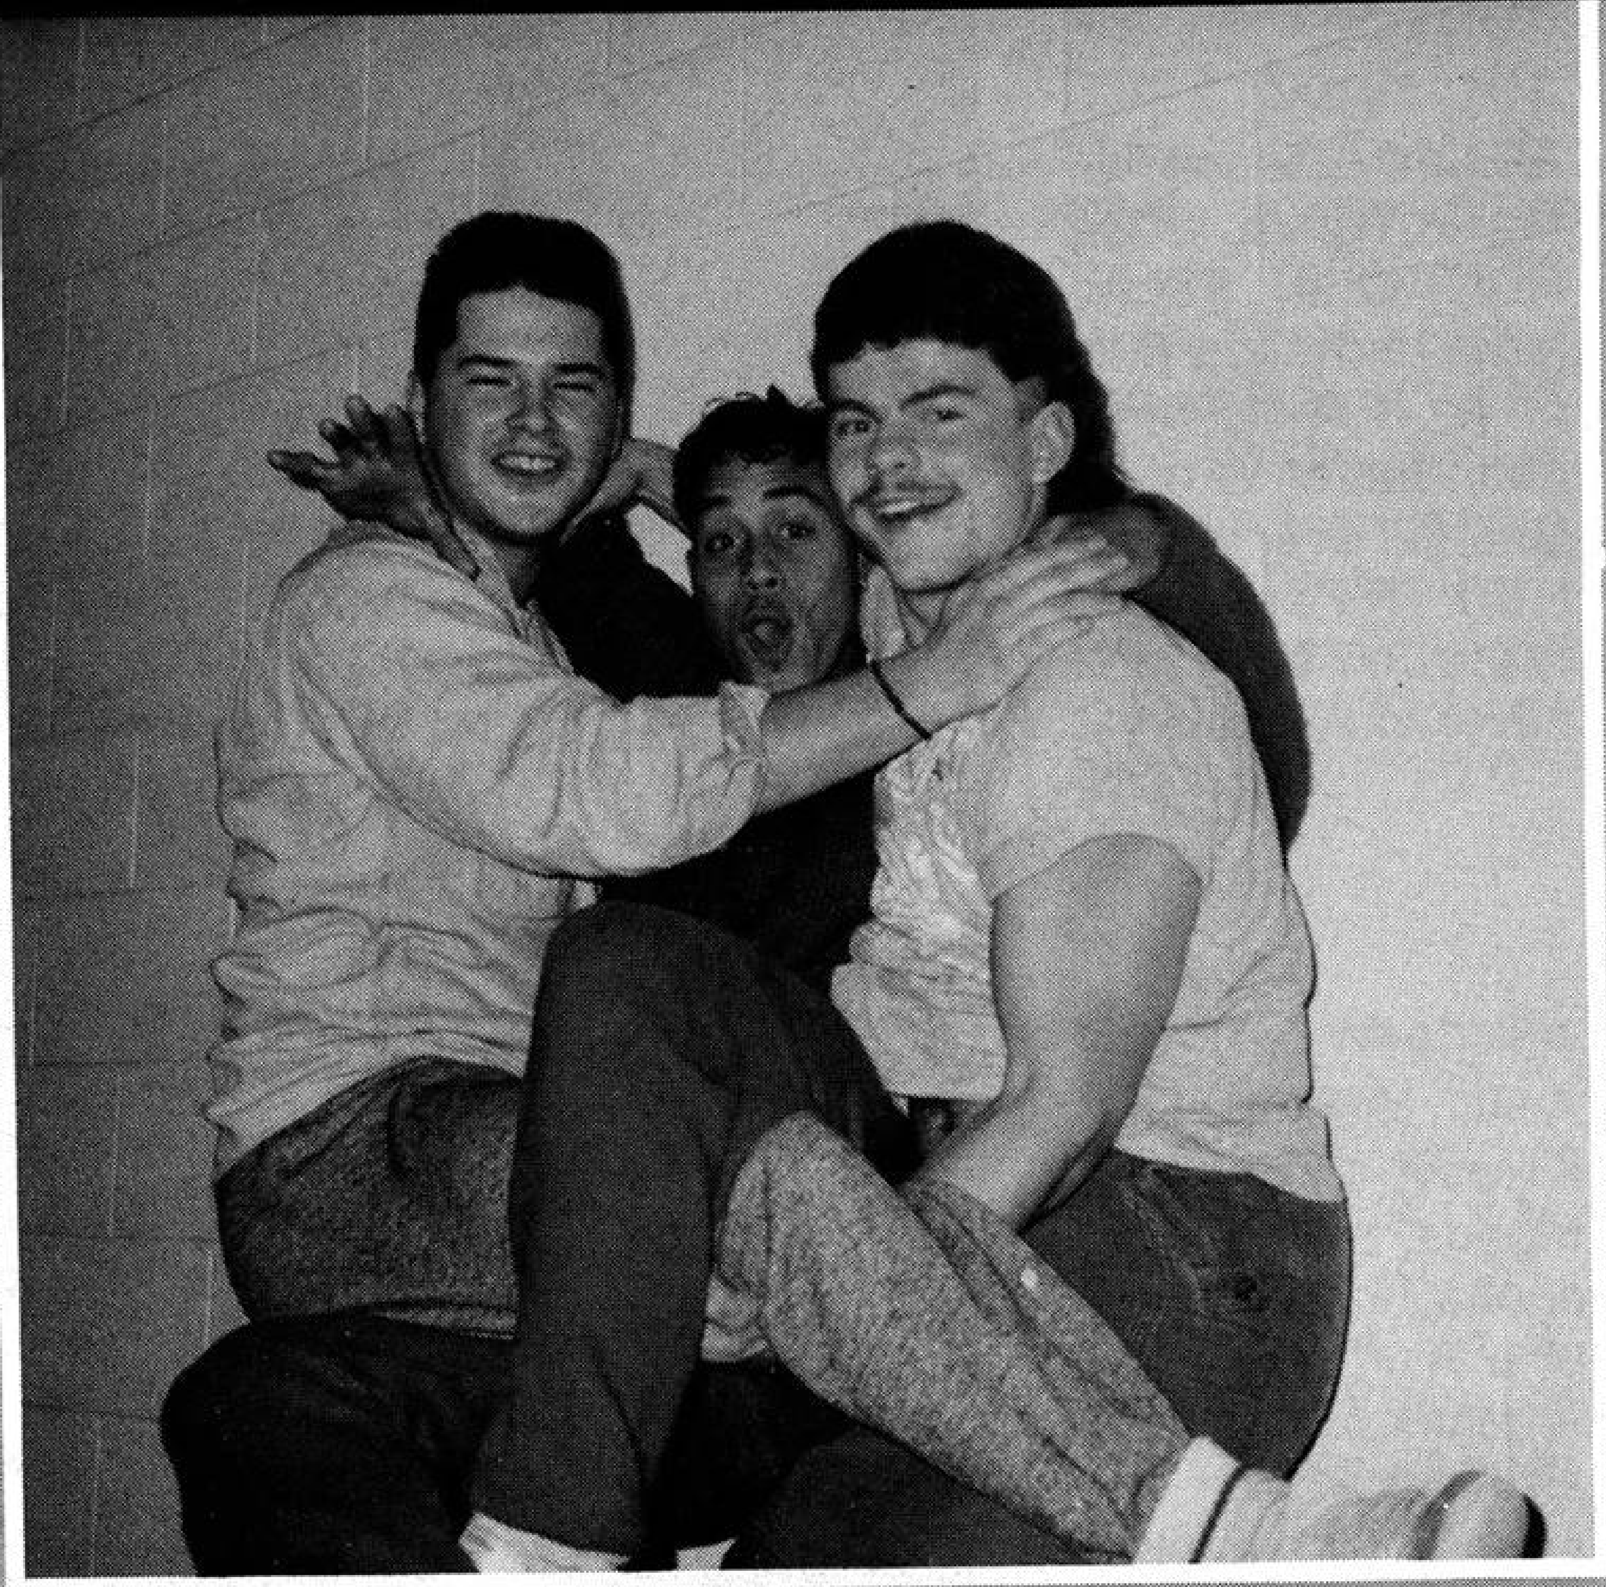

but every now and then
the hurt
the loneliness
the sad memories
step in
and the
smile
is
gone

Gail Bannister

THE
WESTON COLLEGIATE
ALUMNI FOUNDATION

Congratulations Miss Olga Antzoulatos and Mr. Duck Soo Chang, winners of the 1986 Weston Collegiate Alumni Awards. The Awards are presented on a regular basis (but not necessarily on an annual basis) to students who have:

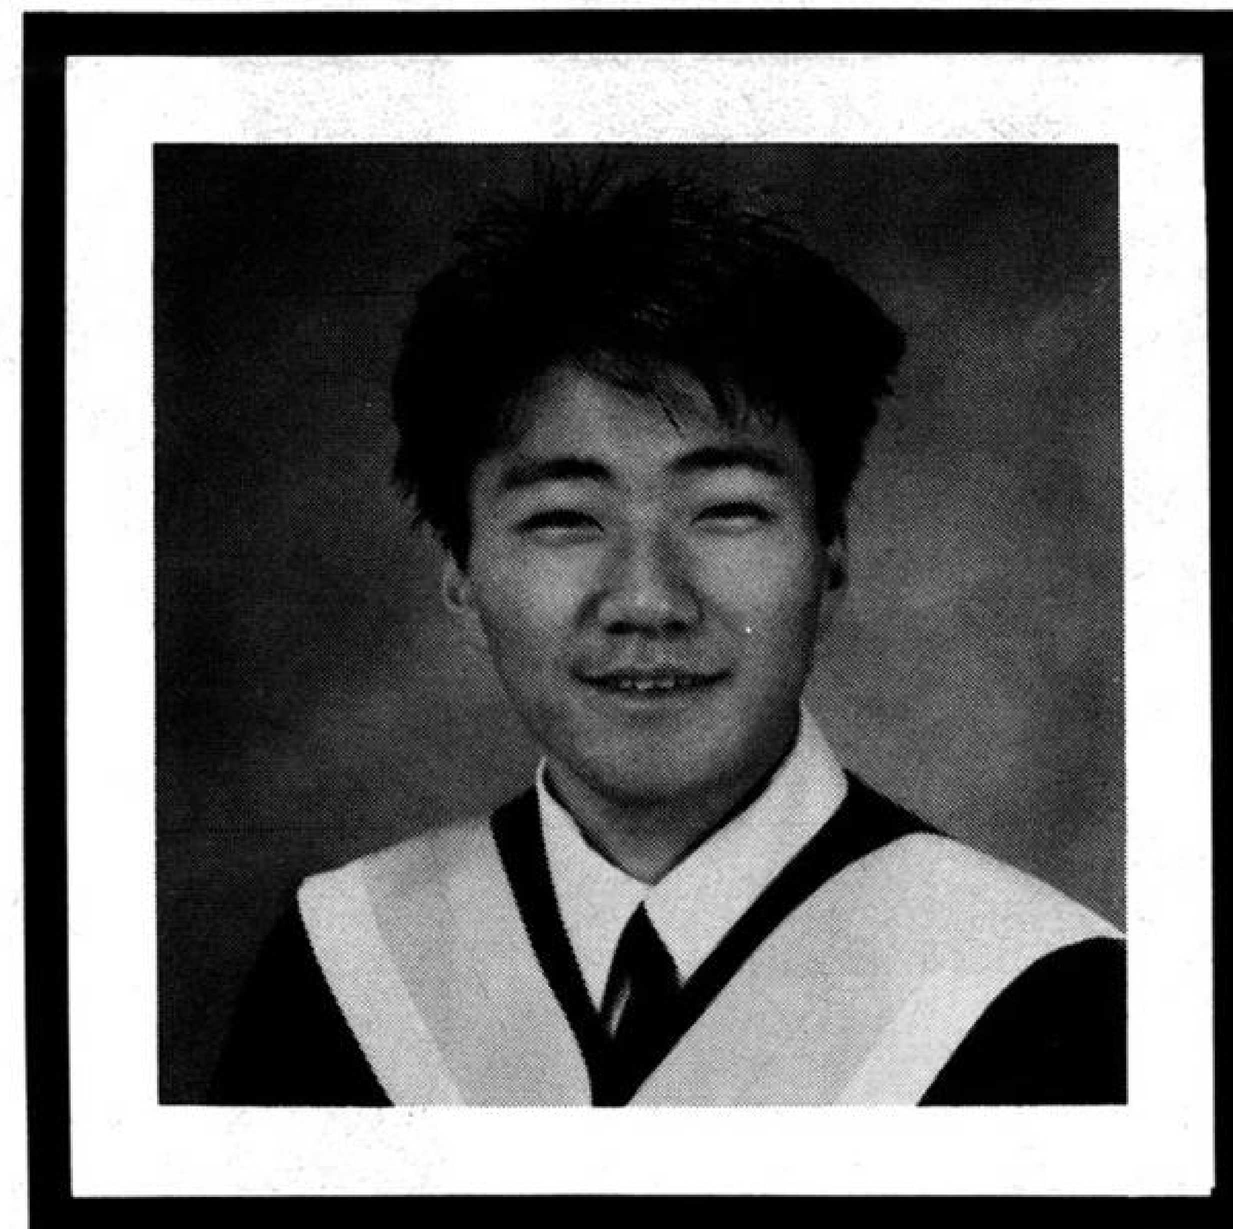

- successfully completed Grade 11 at W.C.I.
- shown outstanding leadership and good citizenship
- contributed significantly to the School's extra curricular activities

Recipients

Miss Olga Antzoulatos

Mr. Duck Soo Chang

The Weston Collegiate Alumni Foundation was established in August 1982 by the Committee responsible for planning and organizing the School's 25th Anniversary celebrations. The foundation's mandate was then, and remains:

> To sustain and administer a School Assistance Fund that provides financial aid in such areas as Scholarships, Library, Orchestra, Athletics, etc. all within the prevailing Revenue Canada regulations for registered charities.

Revenue Canada accepted the Foundation's application for status as a charitable organization effective January 1, 1983.

GUITAR

Guitar - Beginners

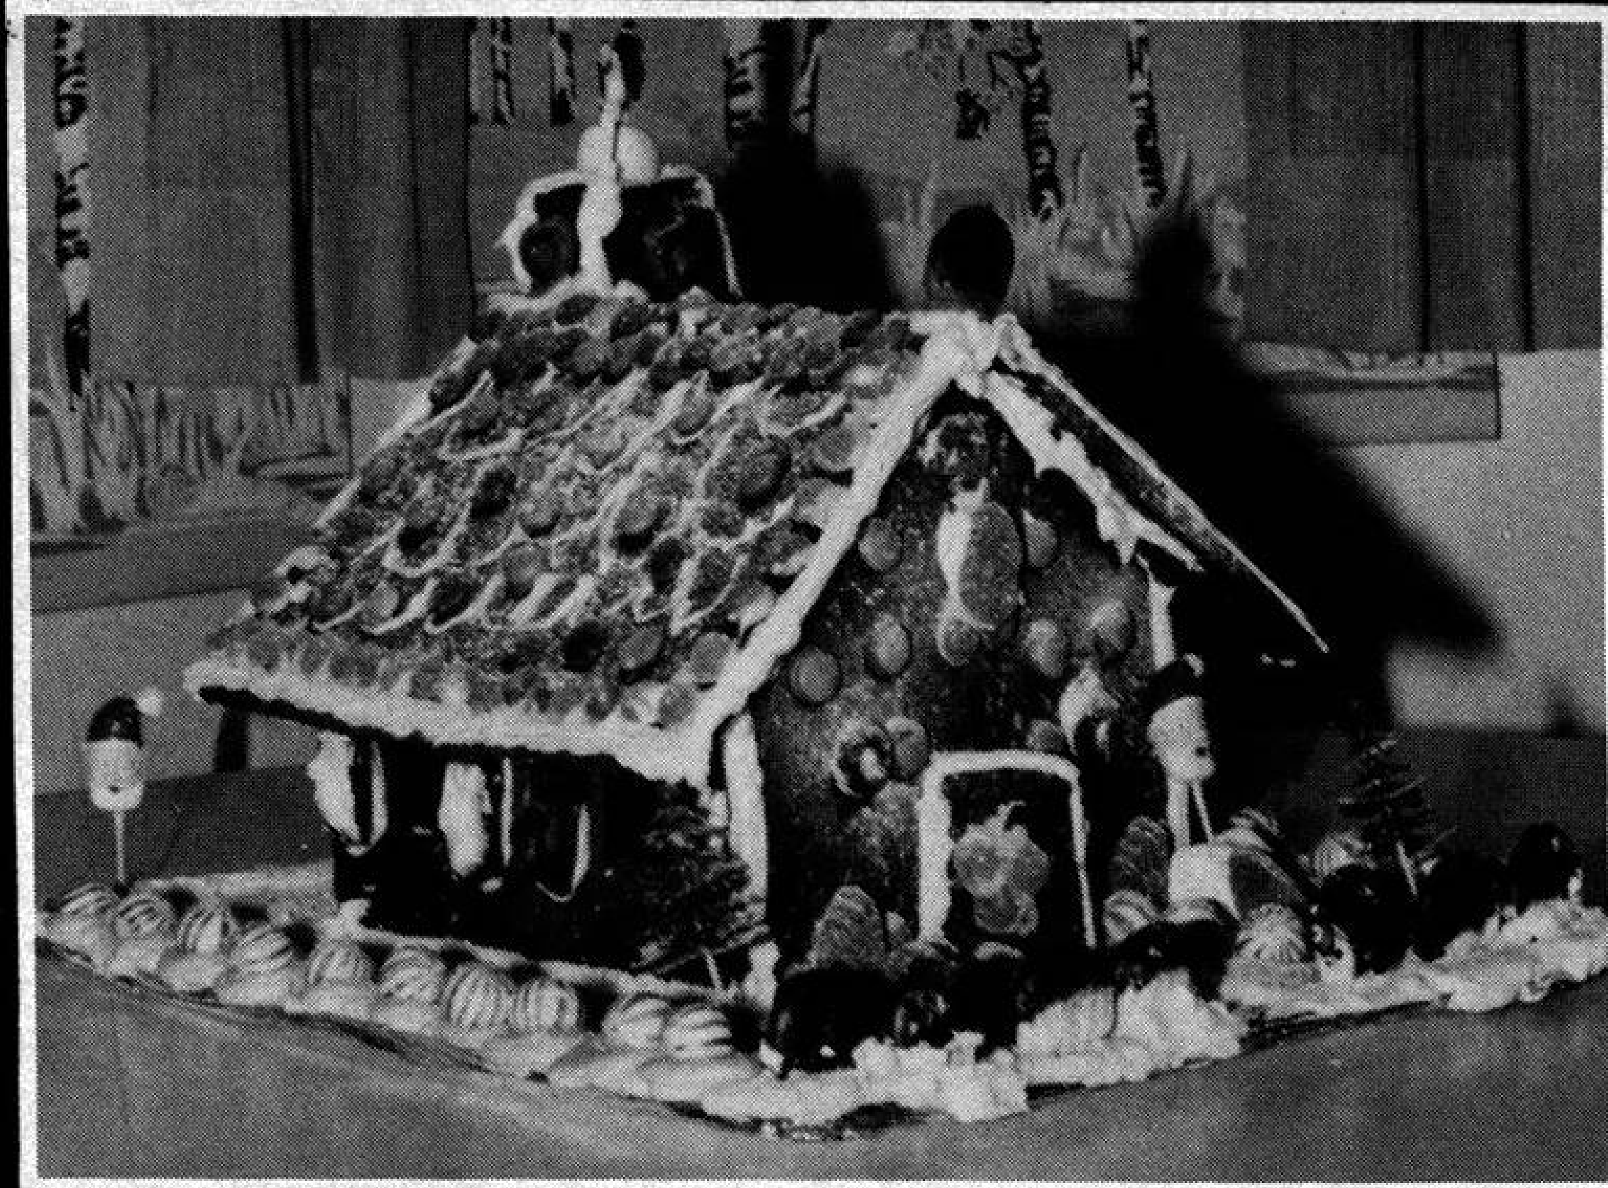

The guitar and its music can be as "serious" as any musician might desire or it can be as "popular" as tomorrow's hit record. For my guitar students, the guitar is the avenue to understanding, appreciation, and self-expression through music. The course may lead to more specialized and advanced musical studies or to a lifetime of casual musical activities. The course is offered to students with little or no formal training on guitar. Instruction includes both the classical style and the "folk" or "pop" style. From Van Halen to Liona Boyd - the Weston guitar students experience all in between.

TIS THE SEASON . . .

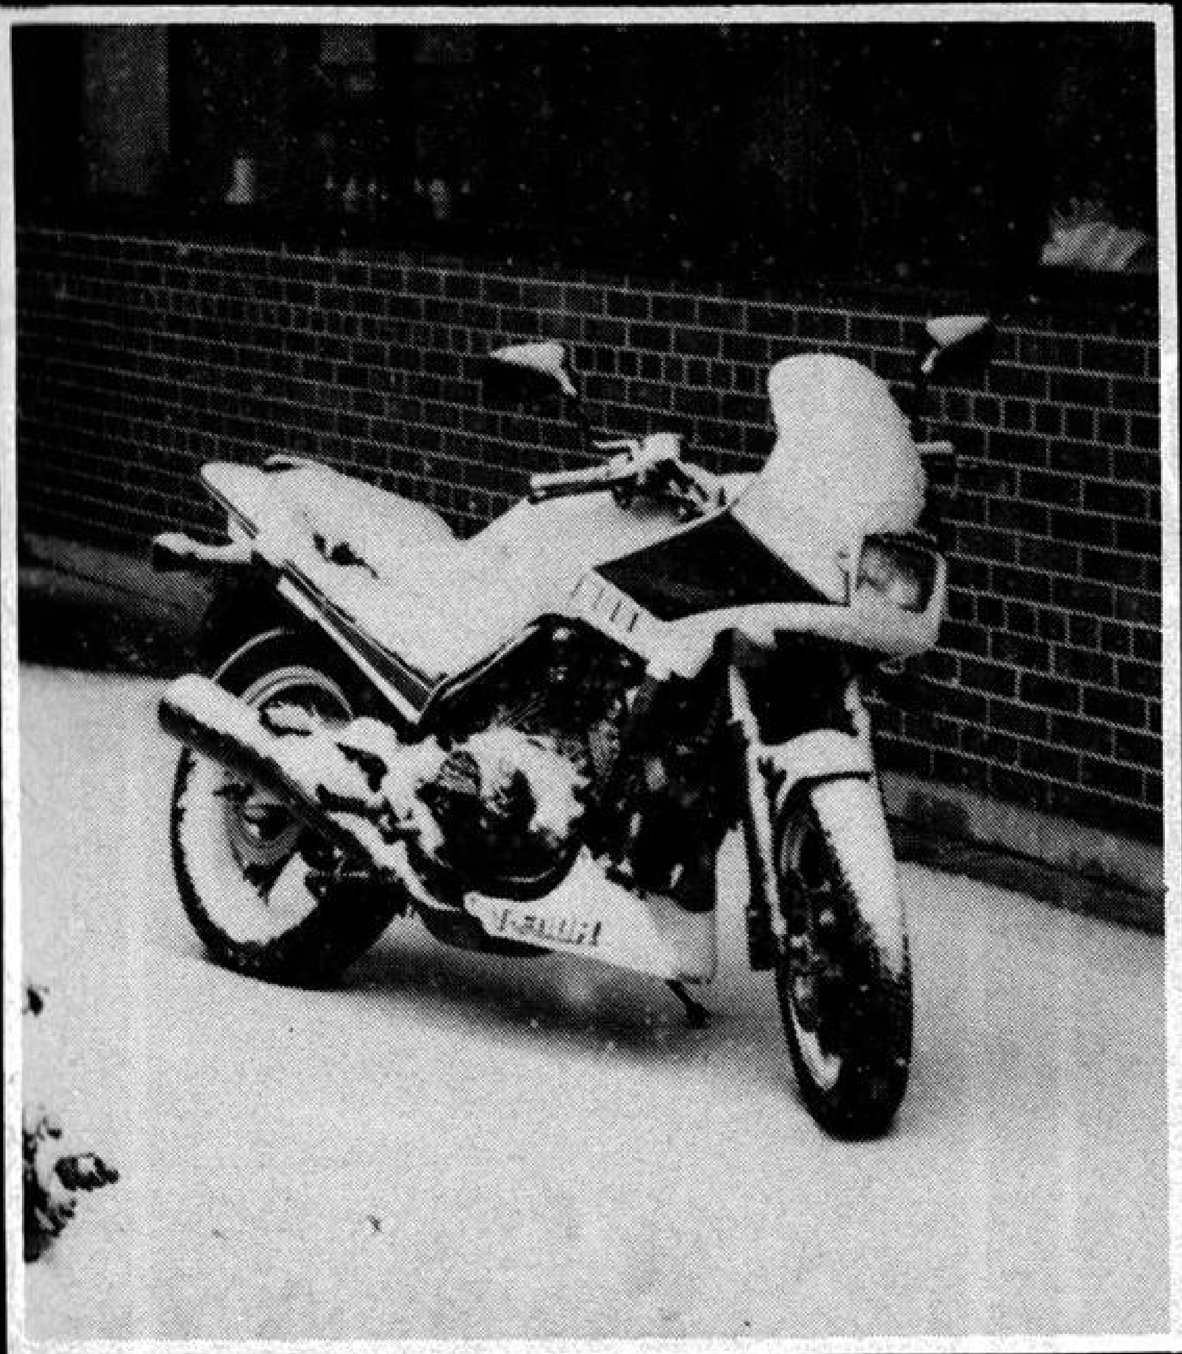

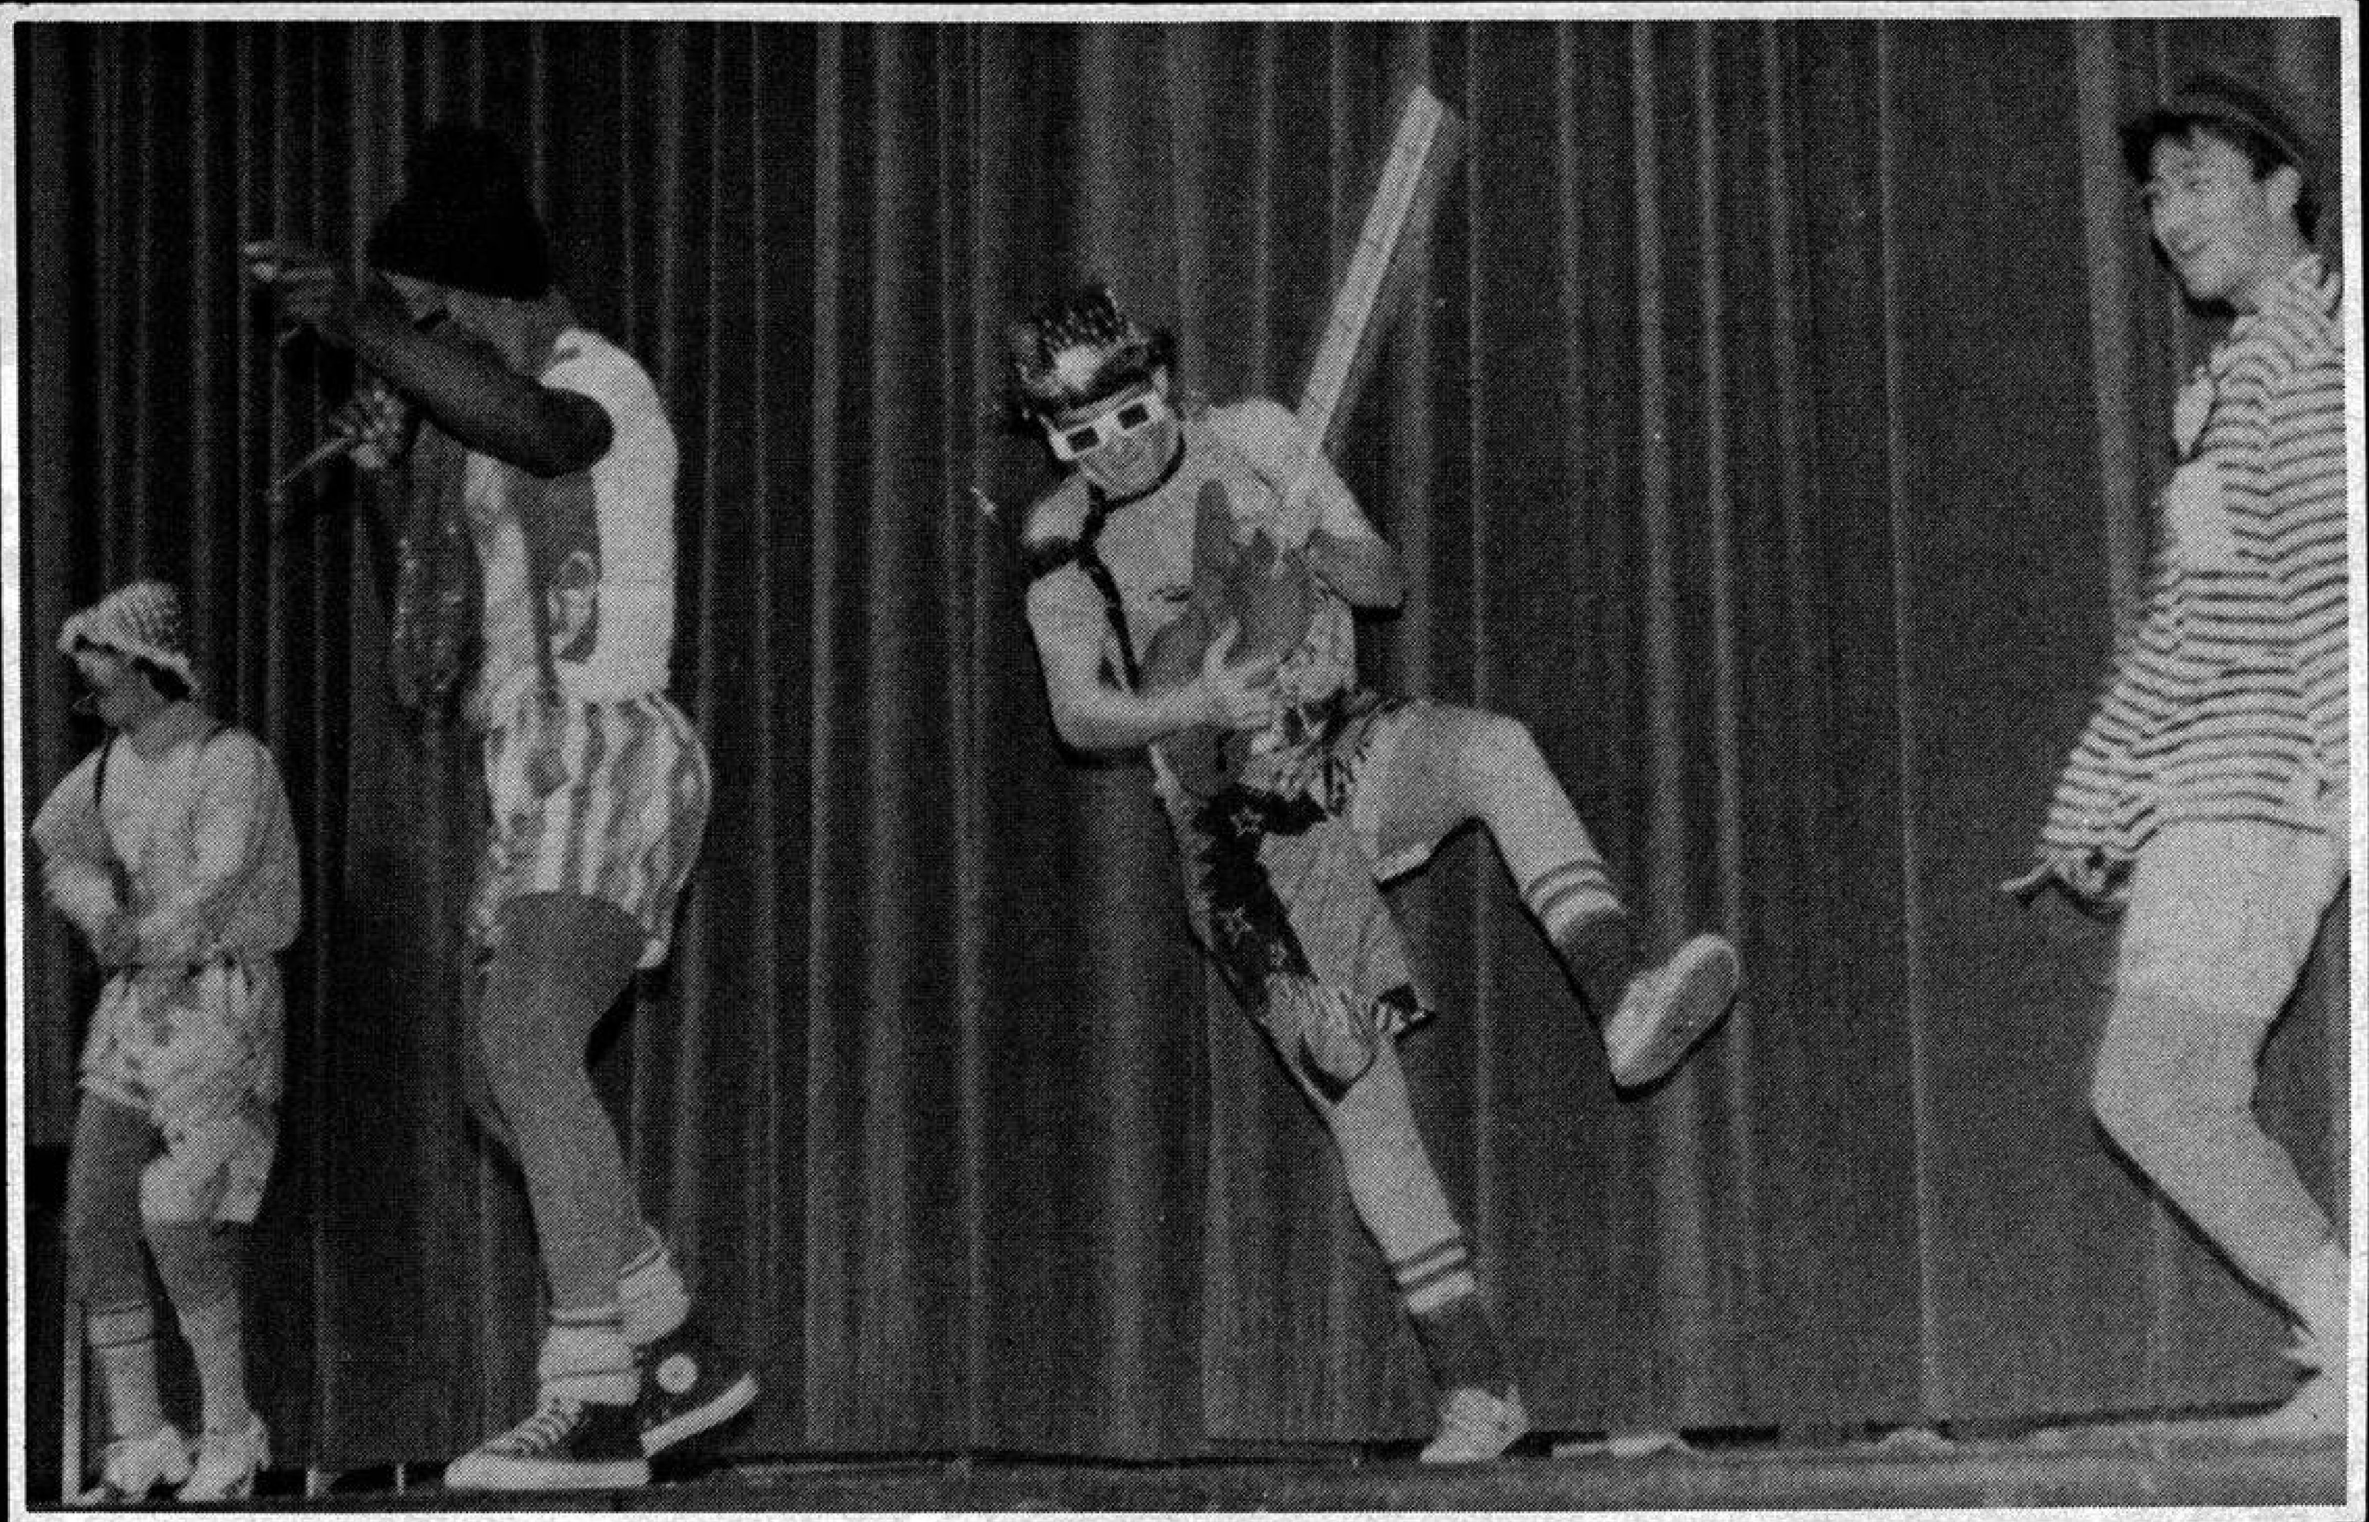

This year Weston Collegiate chose The Toronto Sick Children's Hospital for their charity drive project. Home forms energetically and enthusiastically participated in bake sales, kiss-a-grams, dances, counting smarties, balloon-a-grams and many, many more activities to raise more than $2 000 for this worthwhile charity drive.

TEACHER'S IMPRESSIONS . . .

I look back on my high school years with fond memories. I enjoyed those years and made friendships that have lasted. Here at Weston I feel that the students have the same opportunities. They have the opportunity to learn from teachers who work hard for them. They have the opportunity to make lasting friendships from the many students from all backgrounds. They can participate in any of the different clubs and sports. But most important of all they can do this in an environment where people generally treat others in a polite, considerate manner. This includes students and teachers, administration, library staff, secretaries, and caretakers.

Mr. Kishimoto

Great place to be.
Mrs. Aiken

Weston is a place
full of funny - Fiorellas
noisy - Noleens
handsome - Howards
beautiful - Barbaras
terrific - Tonys
daring - Davids
mettlesome - Michelles
and I like it.

Mrs. King

During my first year here, there were many adjustments: the busy semester schedule, the confusing building layout and crazy room numbering system. However, I soon discovered that the staff here is friendly and supportive and the school is alive with all kinds of extra curricular activities. It is just great to be part of this school.

Mr. Yan

At WCI teachers and students exchange ideas and perceptions. With a fresh look at the methods of conveying knowledge we compliment one another in our attempts not only to open up the world of knowledge, but, more importantly, to develop the ability to go on acquiring it.
Our students learn how to learn, and by doing so, they learn confidently and fairly easily. And as the world around us changes, graduates of WCI have the inner resources to constantly renew the joy of discovery and the glow of accomplishment so that they will never know an empty day.

Mr. N. Alexis

A rose in a sea of thorns! Sixteen years of utter amazement! A microcosm of the world inside! Out of chaos evolves an ontological enquiry into the real meaning of that which was meant to be yet never was!

WHAT WESTON MEANS TO ME

Writing a response to this topic proved to be challenging - more challenging than I thought when I accepted the yearbook editor's invitation. Ultimately, for me it was asking how I felt about teaching in general, and at Weston, in particular. I would like to answer with a quotation from an essay I always use with my English students called, "Does Humanity Grow in Your Classroom?" (Fred T. Wilhems)

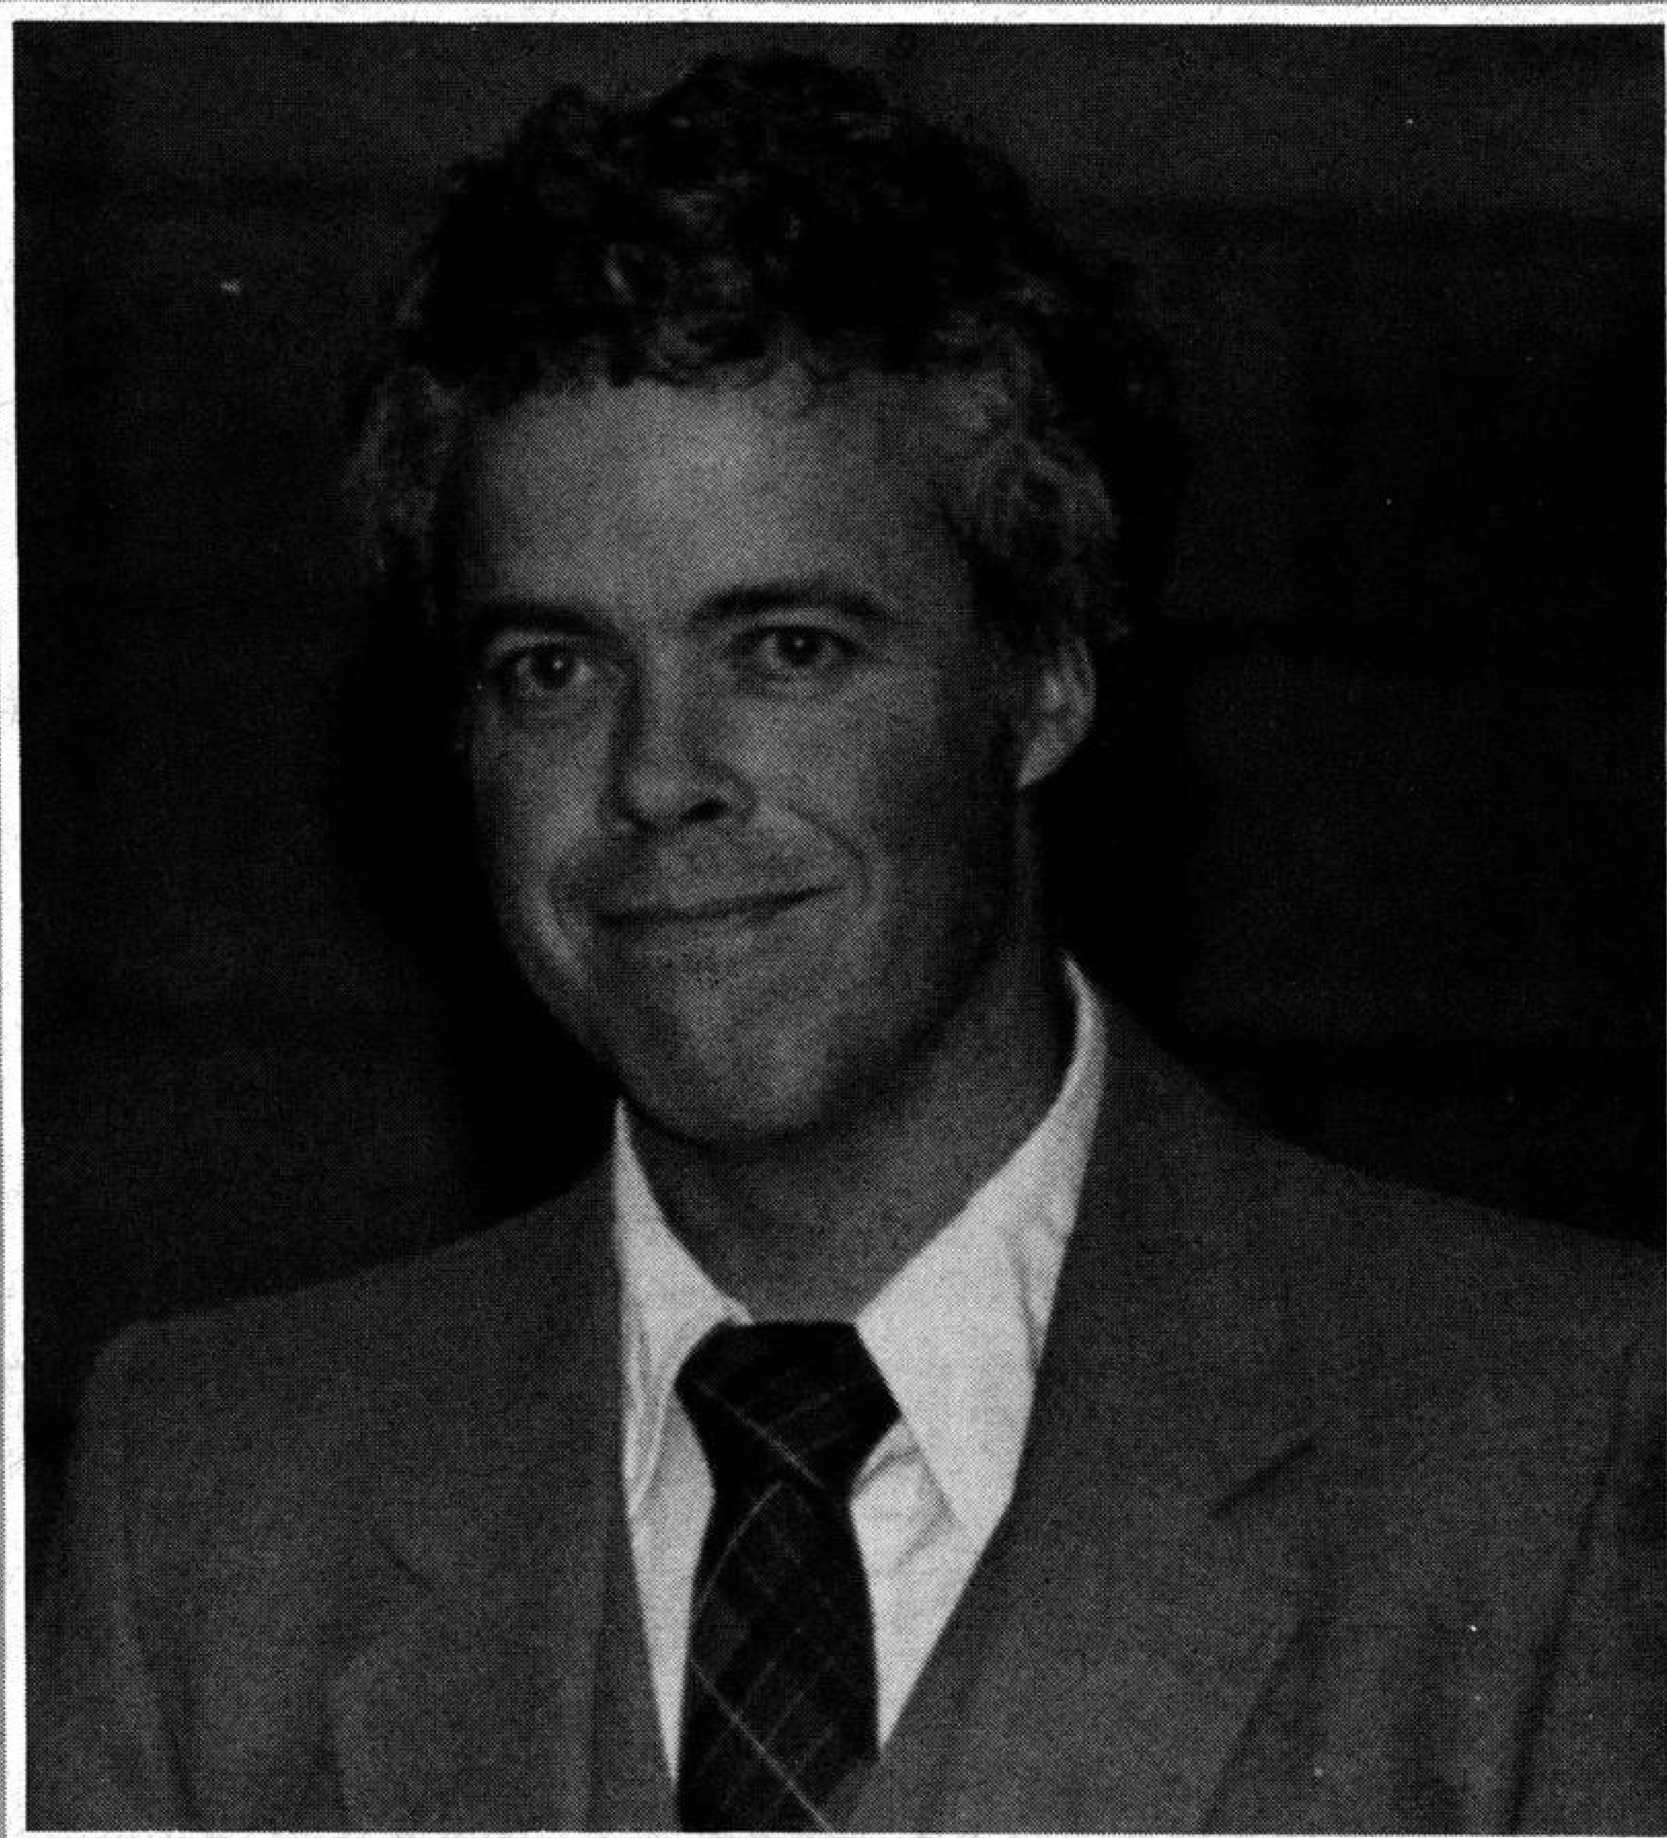

"For todays youth, terribly torn by doubt and disillusionment, groping for ideals to live by, literature is a tremendous resource. It can help them to clarify their personal and social conflicts and move toward fine values and deep commitments; it can furnish them great models on which to form themselves. But to do all this it must be free to soak in it, in a congenial, sympathetic school setting."

After much experience and comparison (25 years and 5 schools) I still respect and love this work and I enjoy the setting - Weston! So hopefully the answer is "yes" to the above question and hence that's what Weston means to me!

PRINCIPAL'S MESSAGE

C.A. Collyer
Principal

TO THE STUDENTS OF WESTON COLLEGIATE

Each June we eagerly look forward to receiving our copies of the *Conning Tower.* On the day the yearbooks are distributed, clusters of friends form in the halls as pictures are examined, achievements celebrated, dances and games relived, and autographs exchanged.

I hope that everyone will have fond memories of 1986-87 at Weston Collegiate Institute: - a year with an energetic Students Council, many strong athletic teams, a successful Charity Drive for Sick Children's Hospital, and a marvellous production of *The Taming of the Shrew.* It was also the year of the first Awards Reception for our outstanding scholars in Grades 9 to 12.

As I write this, I am going over in my mind many of the year's events, and I am looking at the picture we had taken on that sunny day in September when we all trooped out to the football field to have our pictures taken in the form of a giant "W". Your spirit and sense of togetherness, so well demonstrated in that photograph, will remain with me for a long time.

I congratulate the yearbook editors and all the students who worked on this year's *Conning Tower.* We will be able to relive 1986-87 many times over.

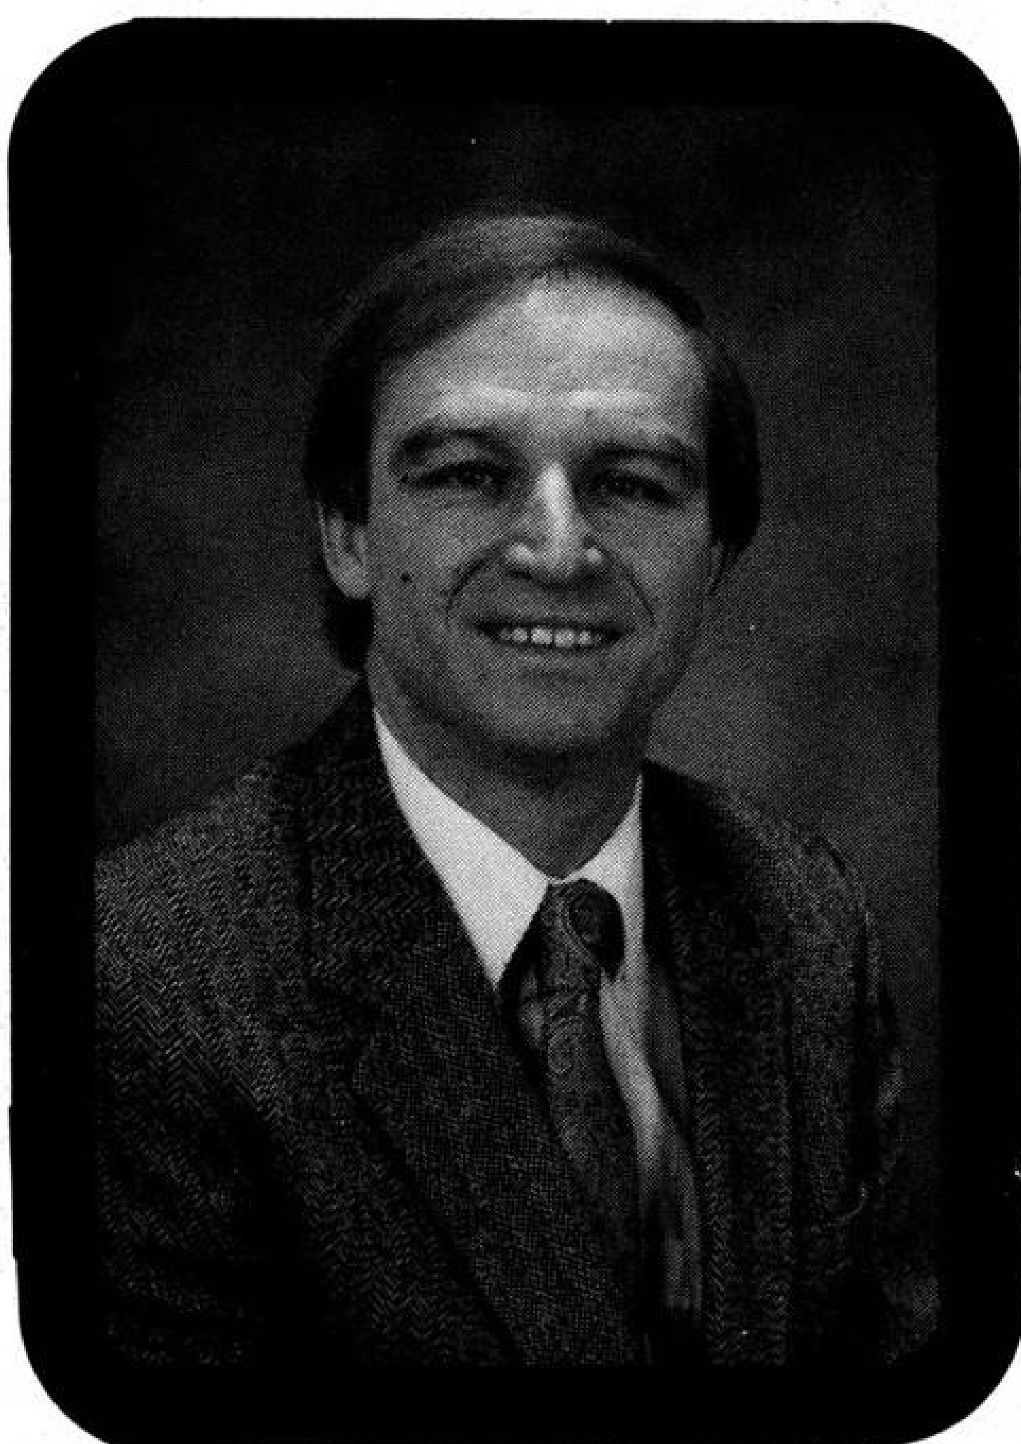

Best wishes to you all for a successful and happy future.

Sincerely,

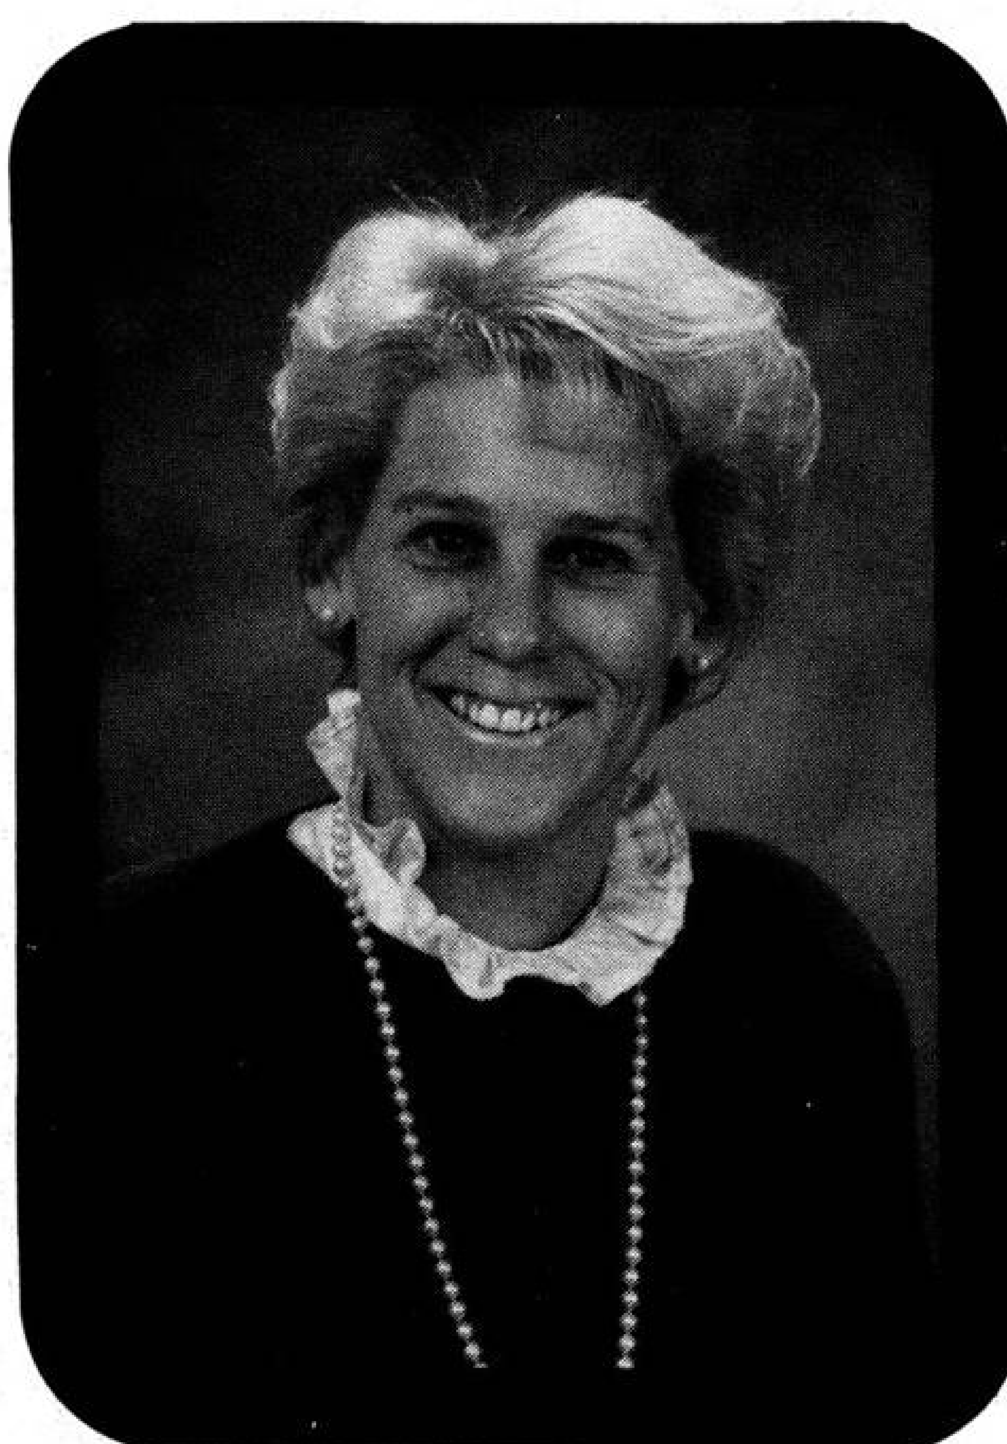

C.A. Collyer

JUNIOR FOOTBALL 1986

The Junior Football team had an exciting season this year with a 4 win no loss record during the season play and a victory in the quarter finals. However, the season closed with a loss in the semi finals to Western Tech, a team we had beaten in league play. The highlight of the season was the outstanding play of Glenn McCausland, who scored 12 touchdowns and was one of the most outstanding runners to ever play Junior Football.

SECOND ROW: Wayne Greenaway, Glen Soady, Janet Churchill (manager), Ed Adams, Rob Mancuso, Edward Tennant (E.T.), Mark (English) Glasher, Roger Peterson, Pino Vesico, Mr. Solarski (coach), Mr. Campbell (coach), Jason (Sweet Marie) Whibley. THIRD ROW: Dale Finikin, Imtiaz Ali, Troy Stone, Ewon Whynes, Garth Brown, John Watts, Andrew 'Country' Bourne, Tim Fray, Gary McClean, Wilbert Stewart, Rob (Kosmo) Kosmala, Glen Roberts, Mr. Whitaker (coach). TOP ROW: Cedric Fray, Peter (Ice Boy) Galanis, Carlos (Spider) Cordeiro, Keith Bnoyke.

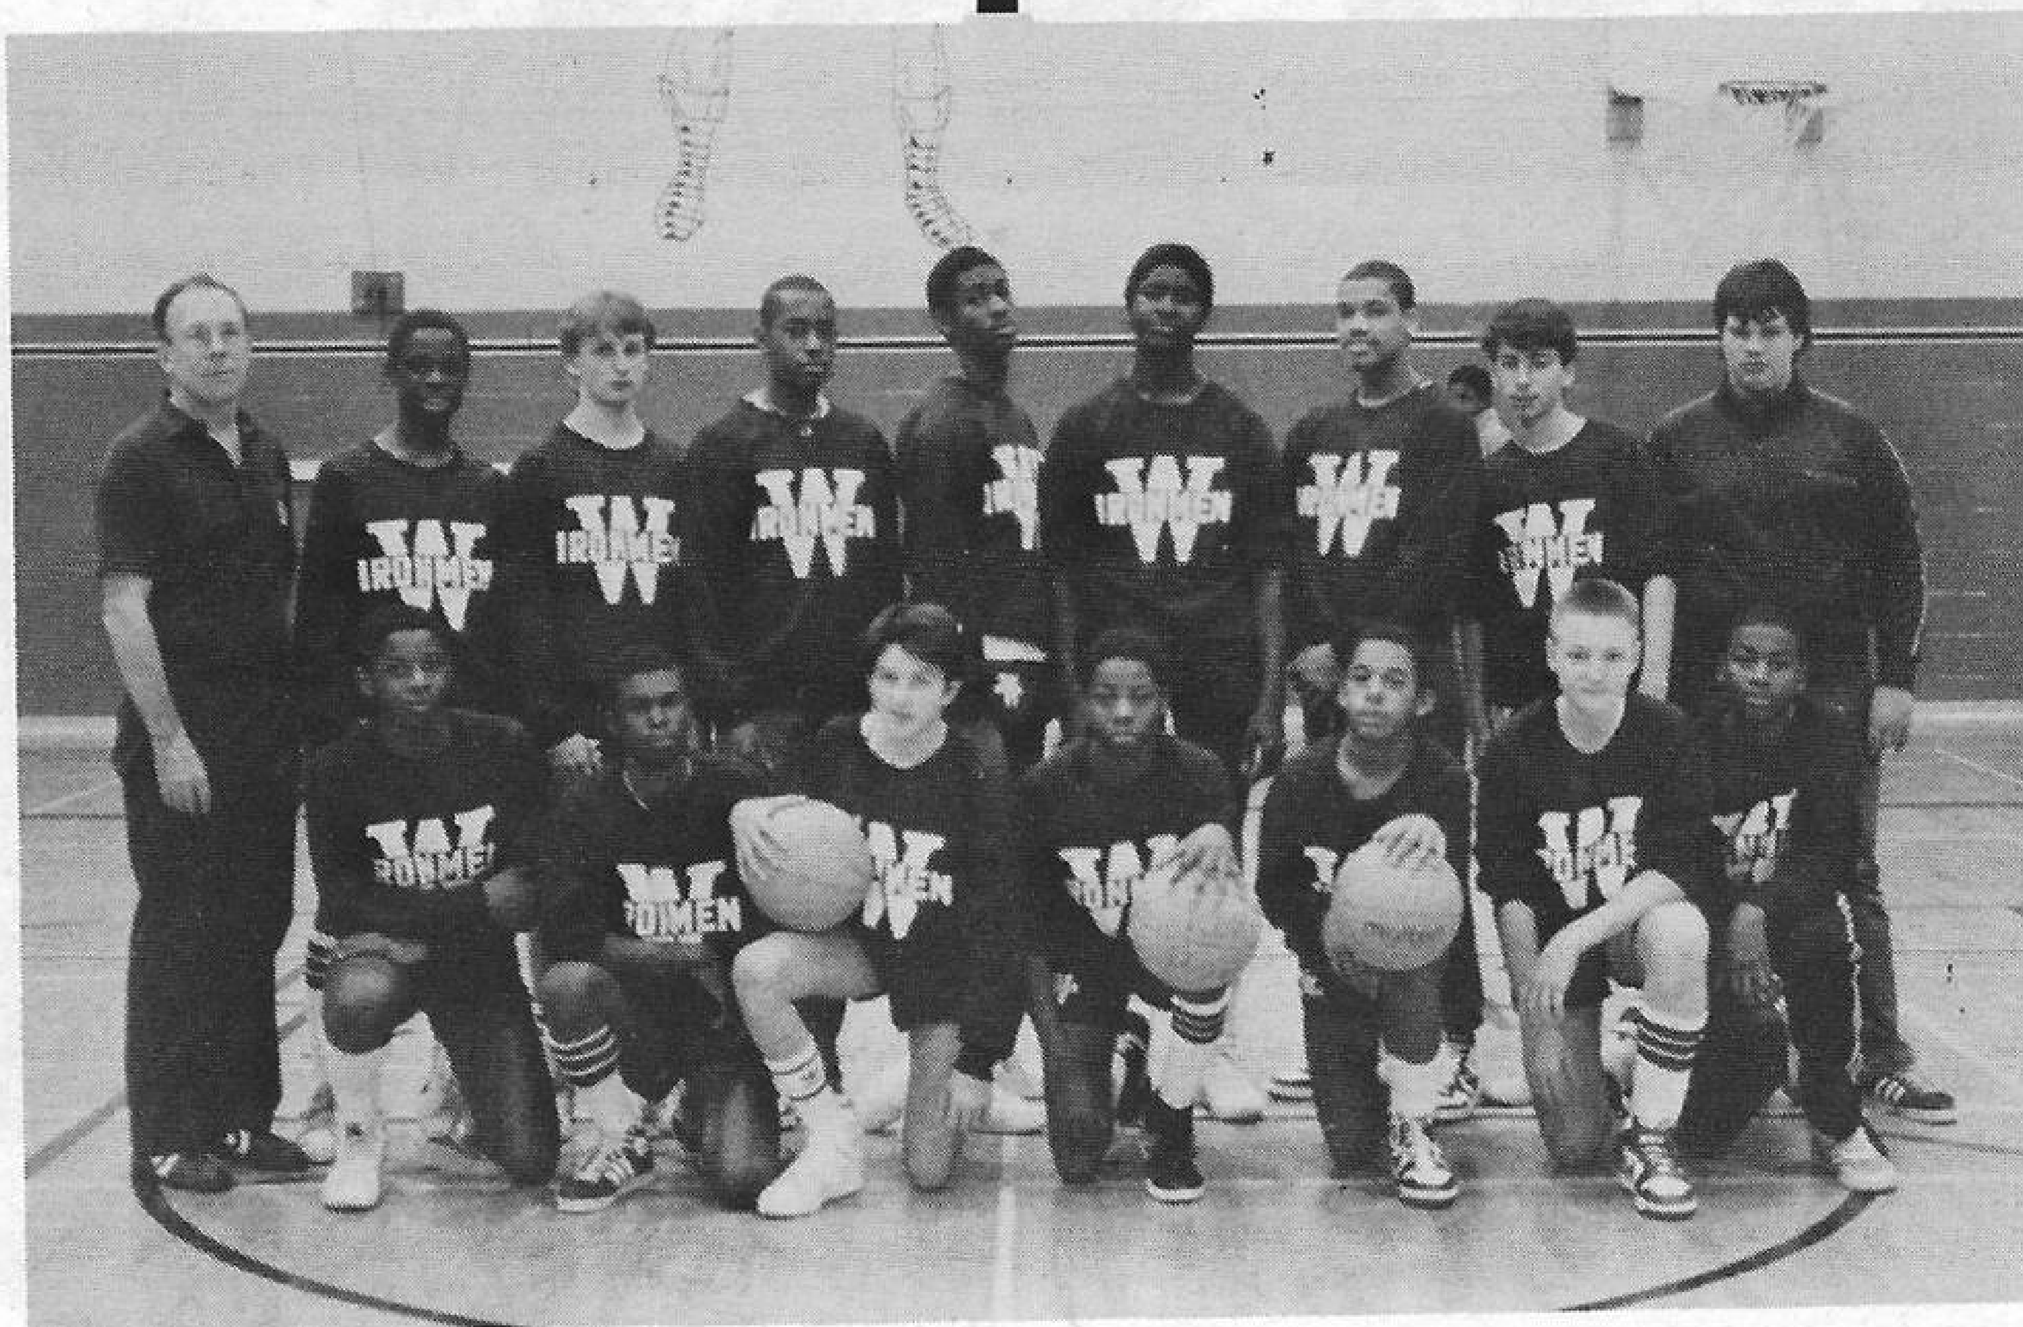

The Senior Ironmen had a most successful season in 1986. Following the regular season with wins over Yorl Memorial and Western Tech. and loses to Humberside and Central Tech. the team moved into the Quarter fina playoffs against undefeated North Toronto C.I. A great team effort brought a victory over North Toronto and advancement to the Semi-finals against Humberside. A convincing win here put Weston into the finals against a strong Northern S.S. team. Although our team lost, the game remained close until the final minutes. All team members as well as the coaches are looking forward to 1987.

The Junior Ironmen had a season record of 16 wins and 5 defeats. The 5 defeats were to teams who either won or were second in their leagues. The team lost the York final by 1 point with 3 seconds to play. In early Dec. they won the West Toronto Tournament. A large part of the team's success was the team play exhibited throughout the season. Returning from last years team, Wayne Lalor, Ray Peter and Kevin Bridge were leaders in ball control, point production and rebounding. New players to the team were rebounders Mike Samms and Vinton Bennett while Ainsworth Littlejohn played well wherever he was needed. Other new players contributing to the teams success were Neville Campbell, Sean Rambajam and Perron Fyffe. The team is to be congratulated on a fine season.

The Senior Boys Basketball Team had a successful 1986-87 season. With an overall record of 22 and 12 the team played well against some very strong teams, going to the Finals in 2 tournaments and winning the Silverthorn Invitational. With a lot of talent having gained a year of Senior level experience, the team can expect a strong showing in 1987-88.

This year's Junior Girls Basketball team was extremely successful. The girls won 2 tournaments, and defeated Runnymede to attain the York Championship.

SENIOR GIRLS

The W.C.I. girls team represented TDIAA - North York at this years OFSAA Competition. An exciting climax to our season culminated in a tremendous victory over George Harvey in the Championship game. As York Champions, we advanced to the North York play-off where we defeated Victoria Park and we went on to capture the TDIAA Championship with a victory over Etobicoke Lakeshore on Nov. 24/86.

A great year for our senior girls team. Denise Scott, center, is a member of the Ontario Junior Basketball team which competed in the Canada Games. Tracy Hammond was a top 40 DBA Choice and other members of our team will be sure to capture honours in upcoming competition.

This years team members were: Corinne Christie (manager), Dwight Baker (manager), 1 - Tonia Brown, 2 - Denise Scott, 3 - Tracy Hammond, 4 - Donayle Hammond, 5 - Lana Paiement, 6 - Marcia Mittoo, 7 - Jaime Crossdale, 8 - Karen Smith, 9 - Dianne Bailey, 10 - Maryanne McLeod, 11 - Michelle Clark. BOYS VARSITY VOLLEYBALL TEAM SEMI-FINALISTS.

The varsity boys volleyball team practised long hours to achieve the success of this year's team. We had entered into a new league this season with more difficult teams to compete against. The top ranked team in Ontario, Kipling, was in our division; later to become OFSAA champion. Making the playoffs was a task in itself. Ranked 4th in a very tough league our varsity team made the Semi-finals and with a little luck may have gone on farther.

YORK TRACK & FIELD

We had our best season ever in track and field: Our team won the York League Track and Field Championships for the first time after Leaside had held the trophy for 12 straight consecutive years. The team was led by our outstanding long jumper Ian Hilton who set a Canadian Interscholastic Track and Field record in his pursuit of the Gold medal at OFFSAA. There were outstanding performances by Dione Jackson in 100m, 200m and 4x100 Senior Girls Relay team; Lana Paiment in the High Jump, 4x100 Senior Girls Relay team; Tonia Brown, Javelin, Shot put, Discus; Tracy Hammond; 4x100m. . . .

WRESTLING IN RETROSPECT

The 86-87 wrestling season was two-fold. On one hand very successful and on the other disappointing. As the season commenced veteran wrestlers coming from other schools combined with our own to give us a real positive outlook to the year.

The school sent a large group of rookies to the Erindale Novice Tournament where we proved victorious in winning the team championship.

For various reasons many veterans left and we were left with a large rookie group. This group came together, fought and worked hard.

Their accomplishments speak for themselves.

JUNIOR HOCKEY TEAM

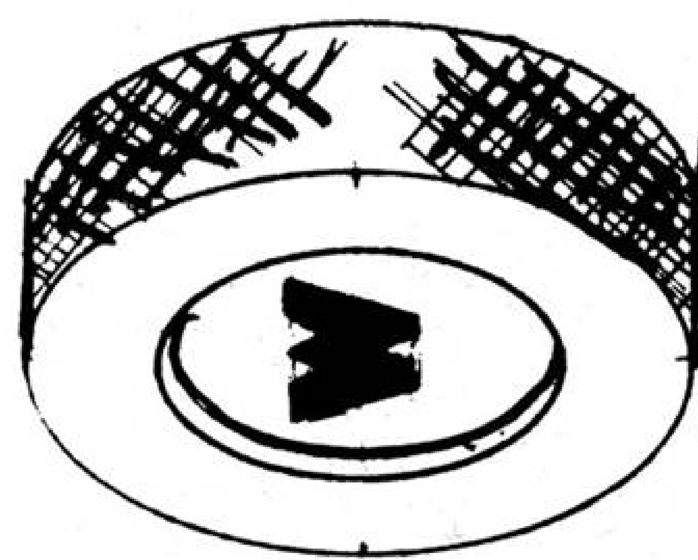

The Junior Hockey Team started out the season in mid-September with two weeks of dry-land training. After eight weeks of ice practice, they participated in a junior hockey tournament in Brampton, which gave needed experience in competing with other high quality hockey teams. In regular season play, the team placed third out of five teams. The players worked hard each time they were on the ice and the quality of hockey improved with each game played during the season. The team narrowly missed proceding on to the play-offs in the semi-final game against YORK MEMORIAL. It was a good year of hockey and the team members are to be congratulated for a constant effort.

The Senior Ironmen's first year in the new TDIAA hockey league has thus far been a great success. Of the twelve teams in the league we finished first with a record of 14 wins and 2 losses. We have just won the York League Championship for the 4th year in a row, and next week go on to play Etobicoke champions Thistletown for the TDIAA Championship and the right to go to OFSAA. The strength of the team is felt to be depth and balance with two outstanding goalies, a strong defence led by Captain Chuck Lucas, and three good lines. (written in early March)

SWIM TEAM

The SWIM TEAM started training this year at the beginning of October. Although a few veterans finished school last year, the 1987 team was basically the same as the 1986 edition. The team participated in the YORK CLASSIC SWIM MEET in November and placed well considering that many powerful swim teams were competing and the Weston team was composed of many beginning swimmers. Then at the beginning of December the team competed at the McMaster Invitational Swim Meet where we again did well, placing 8th out of 21 competing schools.

The biggest problem faced by the team was the many new swimmers who started with the team and then quit. If all of those who started with the team, had stayed with the team, it would have helped in the competitions.

Weston swimmers continued to improve during the competition swimming season and in the Bantam finals the Weston GIRLS TEAM placed first and the BOYS TEAM placed second. In the Junior-Senior Finals at the ETOBICOKE OLYMPIUM, the girls won in all divisions and the boys won all but one division. This year, Weston swimmers won all of the individual high point trophies at the Bantam, Junior and Senior Championships. It was a satisfying victory and a fitting reward to the hard work on the part of many swimmers.

Next year will be very different, as the team bids farewell to Earl Eagleson, Carole McLean, Steve Robichaud, Erik Kucher and Joe Borg. It will take a lot of hard work and many new recruits to try and fill the large hole left in the team by these departing members.

Weston's 1986 Cross Country Champions

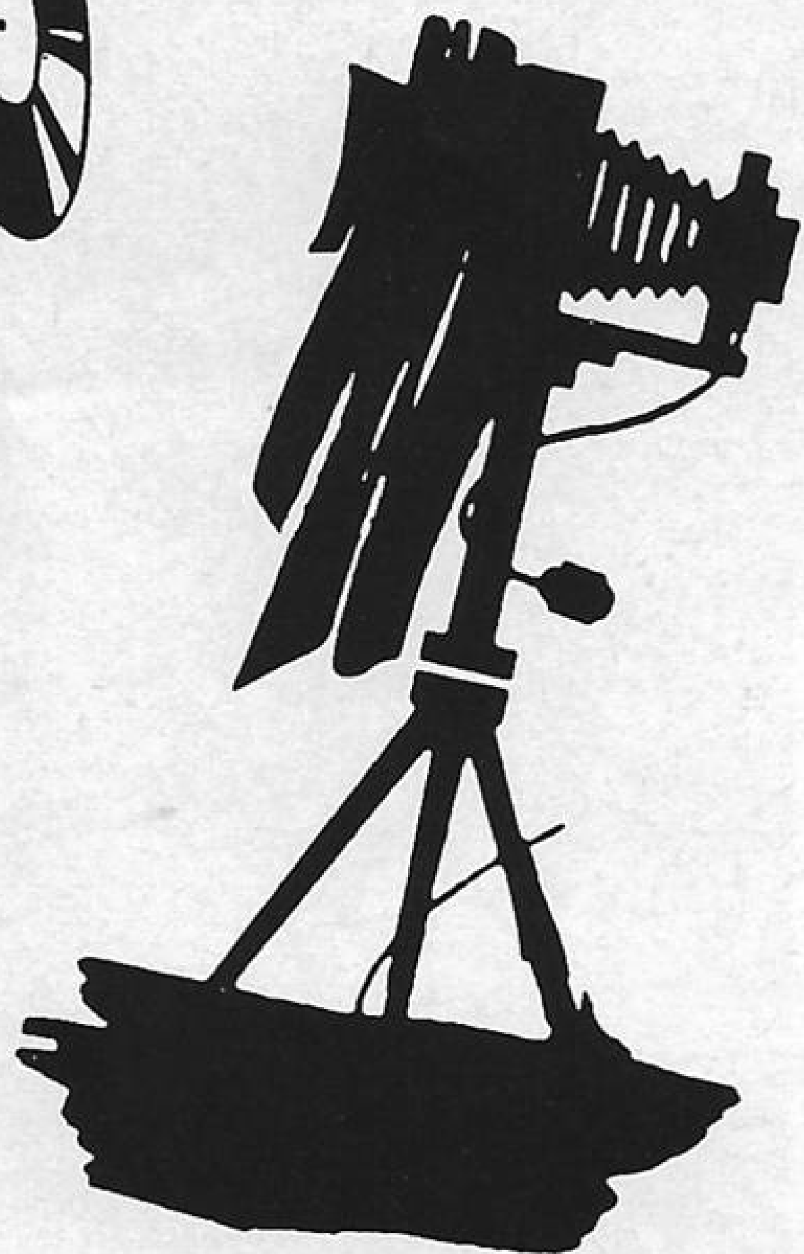

The Senior Boys' Cross Country Team achieved York League Champion status this year, defeating all rivals including the very powerful York Memorial squad. Team members Rob Ashbourne, Shawn Davis (who kept running through the pain of an injured knee), Barry Murray and Robert Varacalli attained consistently first class performances and thus assured the Boyd Park Victory which brought them the trophy. A week later, they displayed even greater zeal and stamina when they competed in the gruelling O.F.S.A.A. cross country semi finals at Earl Bales Park.

EXCHANGE STUDENTS . . .

My name is Andrea de Carvallu Passarini. I come from Los José do Rio Ruto, Paulo, Brazil. I'm going to return to Brazil after one year in Canada. I belong to the Rotary Exchange Program. We have four exchange students every year who come to my city in Brazil from different parts of the world. Last year we had three from Canada. I am part of this program that Linda Norheim is on right now.

I am a competitive swimmer for the York Aquatic Club. I did four years of competitive swimming in Brazil, swimming eighteen hours a week.

I really like Canada. It is a beautiful country. I have been to so many nice places. I like the people here too. I have many friends in school and outside also. I love the snow and want to learn how to ski, because in Brazil we don't have snow.

I think Weston is a great school. My thanks to all my teachers, especially Miss Gordon who helped me so much. This is the greatest experience of my life.

In the year 1986, a senior student of Weston, Linda Norheim was chosen to go on a year's exchange with the Rotary Club to South Africa. During mid-July, Linda left on her once in a life-time experience. While in Africa, Linda spent many weeks with different families who were members of the Rotary. These families showed her many beautiful sights and got her involved with many activities alot of us wouldn't dream of doing.

Different activities Linda tried out and thoroughly enjoyed were ostrich riding, mountain climbing by foot (a 5½ hour climb to be exact), windsurfing and paddleskiing and an activity which the African's call "springering". This is night fishing by the light of a gas lamp. She only had to sit and watch as the fish actually jumped out of the water and landed in the boat.

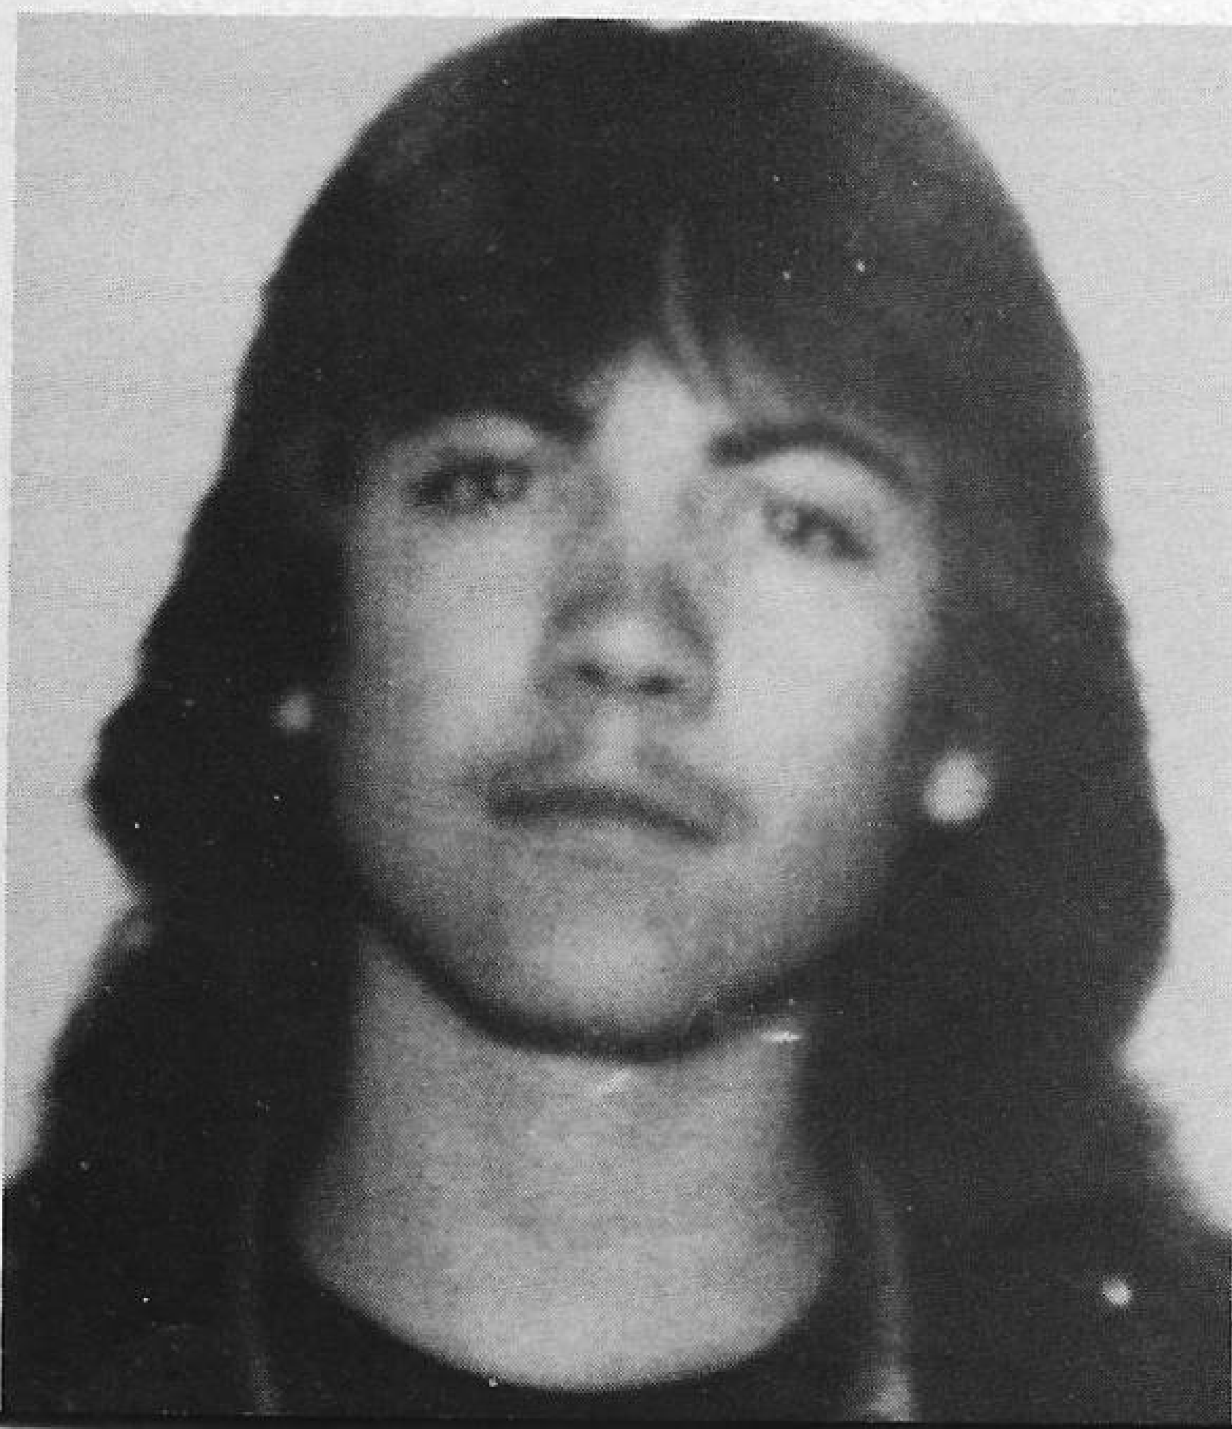

Linda has also spent her year working and visiting many places. She spent New Year's Eve in Cape Town, and once had breakfast in the famed Sun City. Linda has had the opportunity as well to work in such places as a Chemist's Lab, Potato Chip Factory, Radio Station, Electrolyte Plant, and a Copper/Brass Stripping Plant.

She attended Norkem High while in South Africa, and we look forward to the Fall when we can welcome her back to Weston.

IN LOVING MEMORY . . .

Wayne Clayton Thomas
July 1, 1968 - November 26, 1986.

In Loving Memory

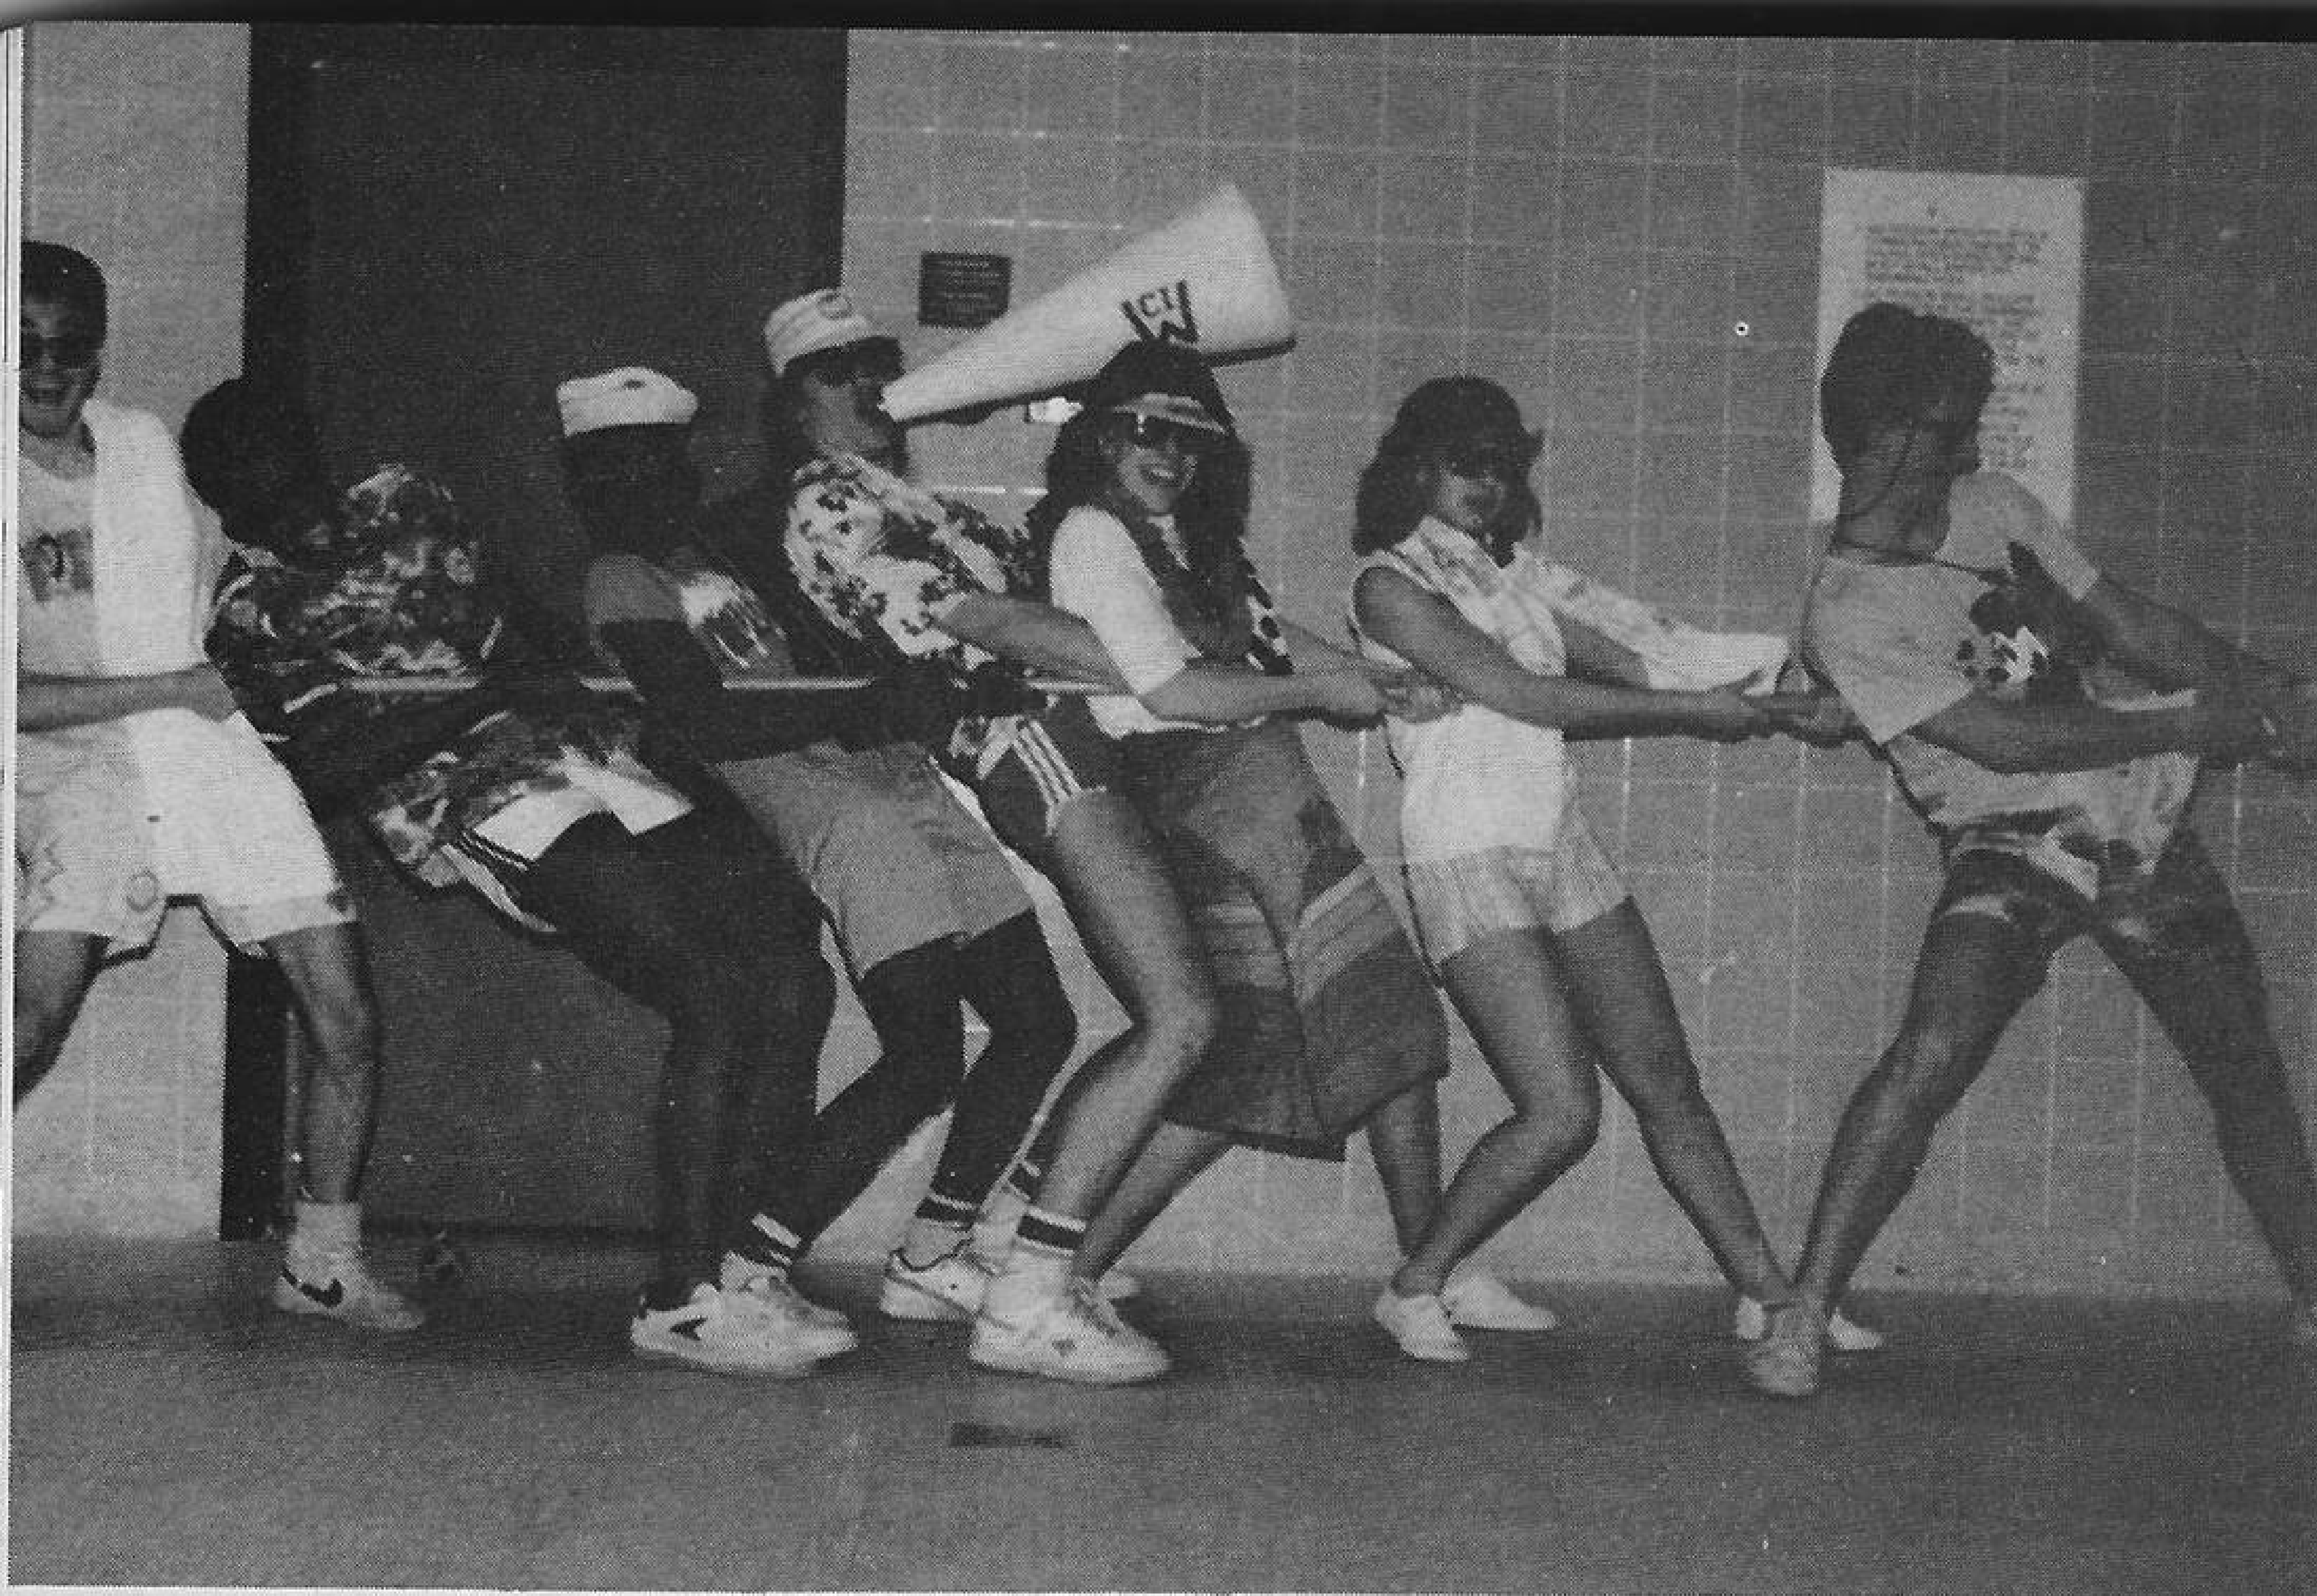

On November 26, 1986 Wayne Thomas, a former student of Weston, died as a result of an automobile accident.

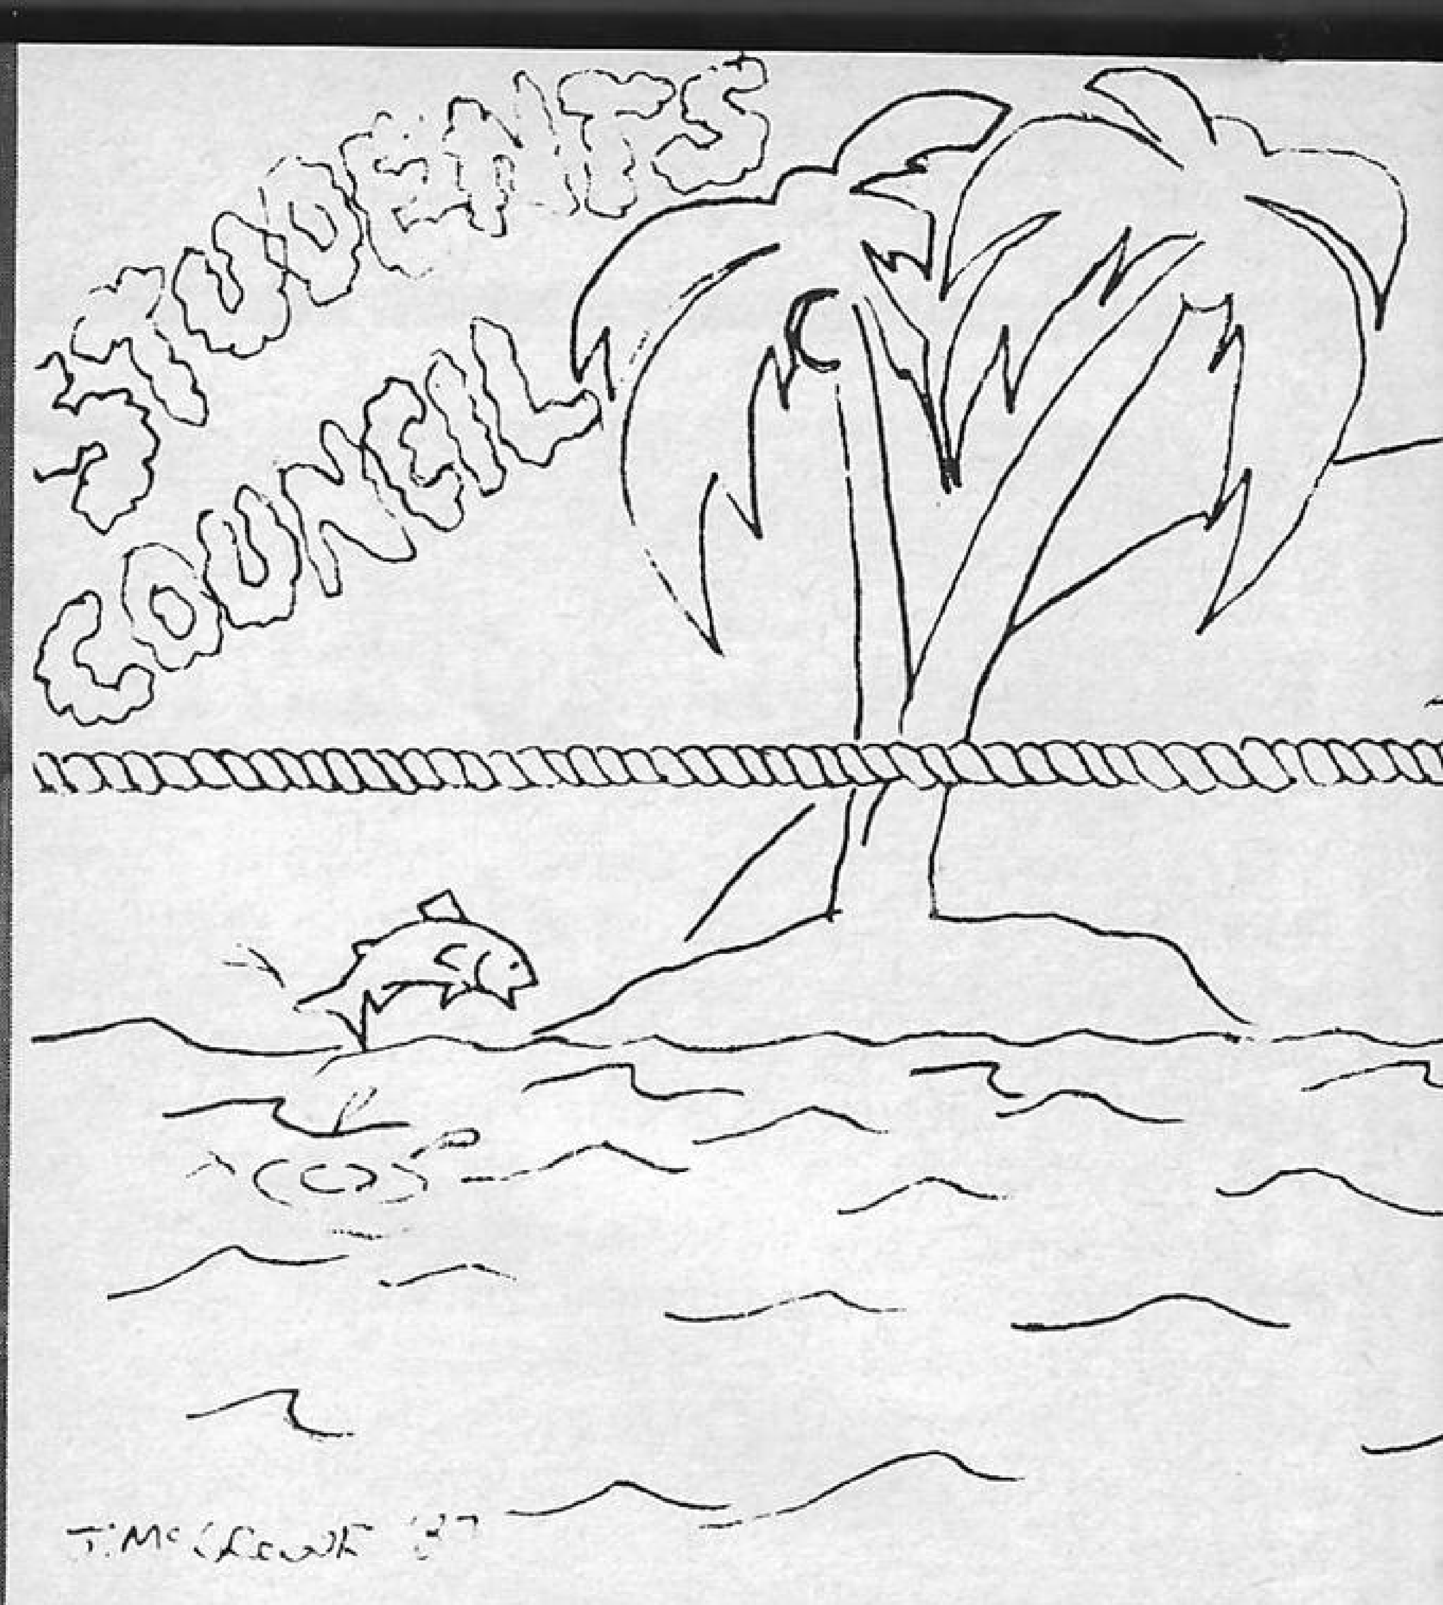

It's hard to forget a good friend: the way he talked, walked, and stood. He lived his life the way he wanted, never afraid of the consequences.

There was only one thing Wayne wanted: to be a drummer. He often told me that he would play Maple Leaf Gardens before he died, but now his drums are sounds of the past.

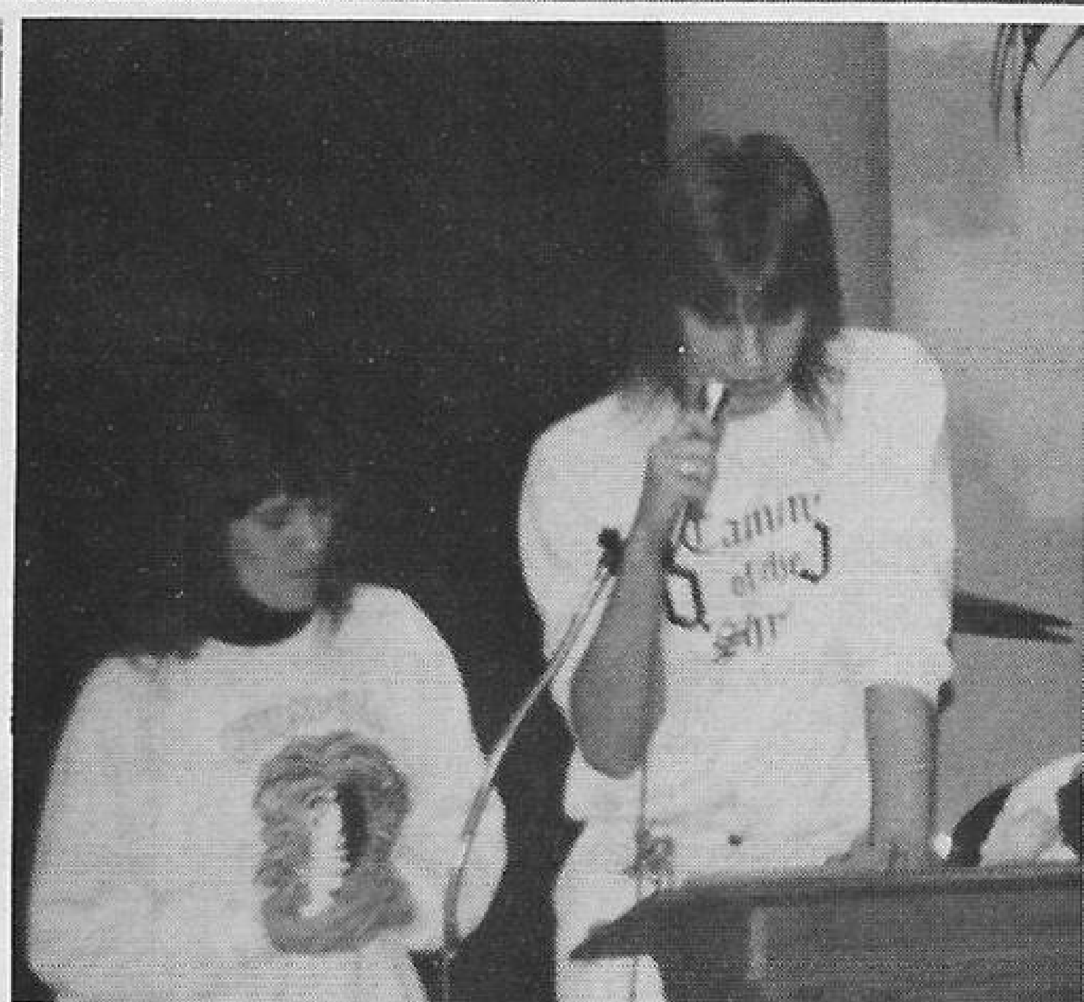

Wayne will always be with us in our hearts. As a friend of Wayne's, I would like to say: good bye for now, but not forever.

HERE'S A STORY . . .

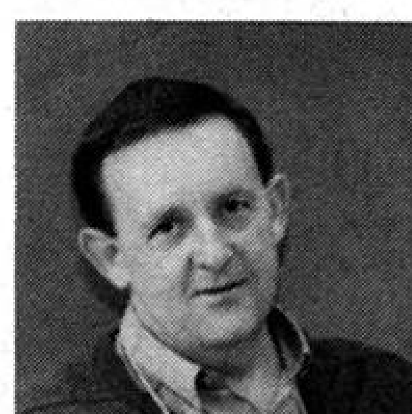

. . . about an Economist named Deline, who was advising 7 average teens. All of them had GIANT egos like their leader. The oldest one in jeans.

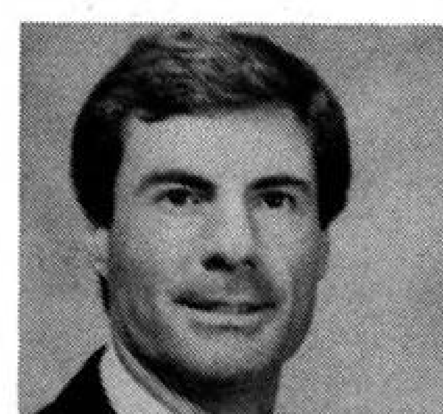

Here's a story, of a man named Weaver, who was busy with 7 employees of his own. They were 8 people working all together, yet they were asking for a LOAN!

Until one day when the Council met these people, it was much more than they could comprehend. That this group would somehow form a union . . .

WARNING: Don't go to Casey's with Laura. I think it's safe to say that I've been here for a few years, and now it's over. Thanks for the memories. The Students Council rules, and the pizza was good. Thanks Mr. Deline for a fun year. Also, thanks to Angie. ADVICE: The system can be BEATEN!!!

Why do people take everything so seriously? If people would just take a deep breath and relax a little more, school wouldn't be that bad. My advice to you is enjoy yourself now, because you may not have a chance to later. Bye!!!
DUCK SOO CHANG, Campaign Chairperson

I'd like to thank all those "wild and crazy guys" on Student Council, Yearbook and Mr. Deline (He's "wild and crazy" too . . . Did you notice those keys?) for making my days as Vice President fun, interesting and one's that I'll always remember. P.S. So when are we gonna order pizza?

WARNING - Don't ever go to Casey's with Student Council! Thanx Weston for making this year fantastic, but especially for making our job of raising school spirit so easy! To Mr. D. and the council, "Thanx, love ya!" Keep laughing guys, you all do it so well (Snort, Snort). Keep that Blue and White Spirit high Weston! Oh yeah, Hey guys . . . Thanx for the pizza!!!
Laura Christie, Social Convenor

This was a very memorable year for me as well as for everyone on the council. We all had our butterflies when starting out but we've come a long way and can now cope with those little critters. "May your future be filled with many joys!" Thank-you Weston! God Bless.

School spirit has finally come back to life at Weston! Let's hope that this is only the beginning of great things to come. I found it interesting that people could be on an almighty power trip, and in the meantime accomplish nothing. To future council members learn, enjoy and prosper as I have done.

With all the school activities this year, there was no end to the excitement. The only way that someone can have fun is to participate and I'm glad I did. I'm so happy that so many other students got involved with extra-curricular activities because it reflects on our school spirit. High school years are for fun, so I encourage everyone to go easy and enjoy themselves.
Barry Murray, Treasurer.

. . . AND THAT'S THE WAY WE ALL BECAME SUCH SUPER FRIENDS!

This yearbook is an end product of many hours of hard work and frustration on the part of a few concerned individuals. Days of sorting pictures, finding corresponding names, typing and designing the pages were spent in the yearbook room and at home. I am indebted to all those who have contributed to its creation especially to Arthur Gonzales who found the time to take over the yearbook so I could enter University early.

The fine efforts of Carm and Silvio on the layouts, Darcy and Donald on advertising, Ms. Spiteri and Mr. Weaver as advisors.

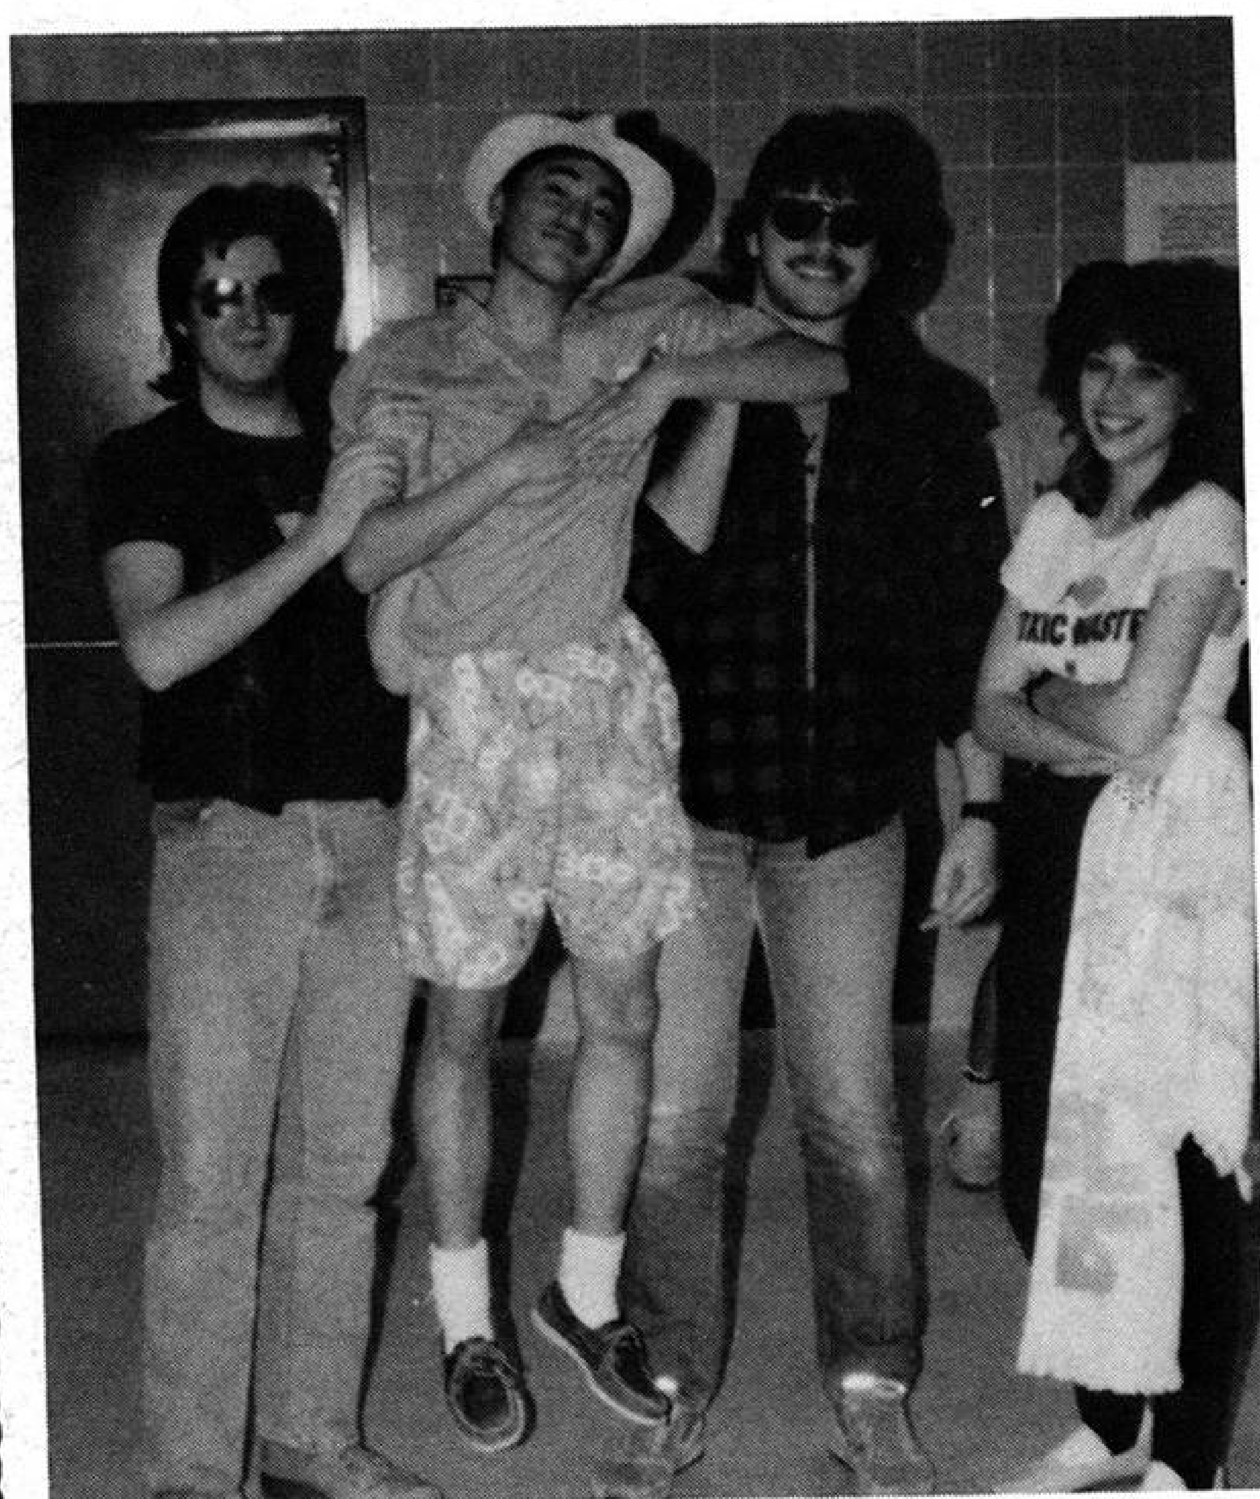

The typists and the Photographers all made this a less arduous task. Special thanks to Mrs. Lee for her advice and Awards Assembly layout.

The Conning Tower has since become an accomplished fact.

What Could Have Been

Sometimes I look for you
In places you used to be
and holding my breath
I hope you'll be there
because I've forgotten
that you're not here

How would it be now
If you were here?
Would we be friends?
Would we be less?
or would we possibly be
the way we were then?

But there's no use in asking
what could have been?
There's no use in dreaming
wishing for the past

How would it be now
if you were here?
a constant question, a constant care
until I remember
that life does go on
and with a smile for our memories
I realize
that I don't really care
about what could have been

Denise Glagau

That's Life

Life is precious - guard it.
Life is a challenge - meet it.
Life is misery - overcome it.
Life is tense - ease it.
Life is sweet - taste it.
Life is cruel - bear it.
Life is love - kiss it.
Life is a promise - fulfill it.
Life is good - worship it.
Life is a struggle - pack it.
Life is pleasure - enjoy it.
Life is hard - soften it.
Life is bitter - sweeten it.
Life is a duty - charge it.
Life is death - accept it.
Life is life - live it.

Heartbreak in Paradise

One too many broken windows.
One too many shattered dreams.
One too many painful memories.
One too many final scenes.

More unfulfilled dreams and lonely nights,
all on only a roll of the dice.
But it's no major distraction, just
another heartbreak in paradise.

Breaking up's so painful
and time won't heal the wounds.
Tears of remembrance can help, but
your only hope's to meet someone . . . soon.
Then slowly isolation sets in, and
a certain slow song makes you think twice, but
it's nothing worthy of attracting attention,
just another heartbreak in paradise.

One too many sorrowful letters.
One too many tears, cried over the phone.
One too many strangled emotions.
One too many nights . . . alone.

It makes you wonder if it's all worth it,
worth it, just to fall in love.
It always ends in such tragic proportion,
a shot in the dark, at a white dove.
Emotions are torn apart
by a forsaken heart's vice.
But it's nothing that's unheard of, just
another heartbreak in paradise.

One too many lonely, slow songs.
One too many formal pieces of gold.
One too many tears in a raging seas
One too many prolonged searches of soul.

But you realize eventually
that all is not lost.
A new sun is shining through
and it's melting a lengthy frost.
Finally you've met someone who's
helping you pull through,
and those two important words
mean so much more . . . thank you.

Another heartbreak in paradise
is the result worth it's price.
Just another heartbreak in paradise
you'd better think twice.
Heartbreak in paradise.
Heartbreak in paradise.

C. Mann

Memories

Remember the good times and the
laughter, the pain, and the countless
tears.

Remember both the good, and also
the bad, through all the passing
years.

For when we are much older from
what we are today,

With friends and foes of our
yesteryears either dead or
gone away; memories are all
we'll have of the dreams
of yesterday.

Patricia Nobuto

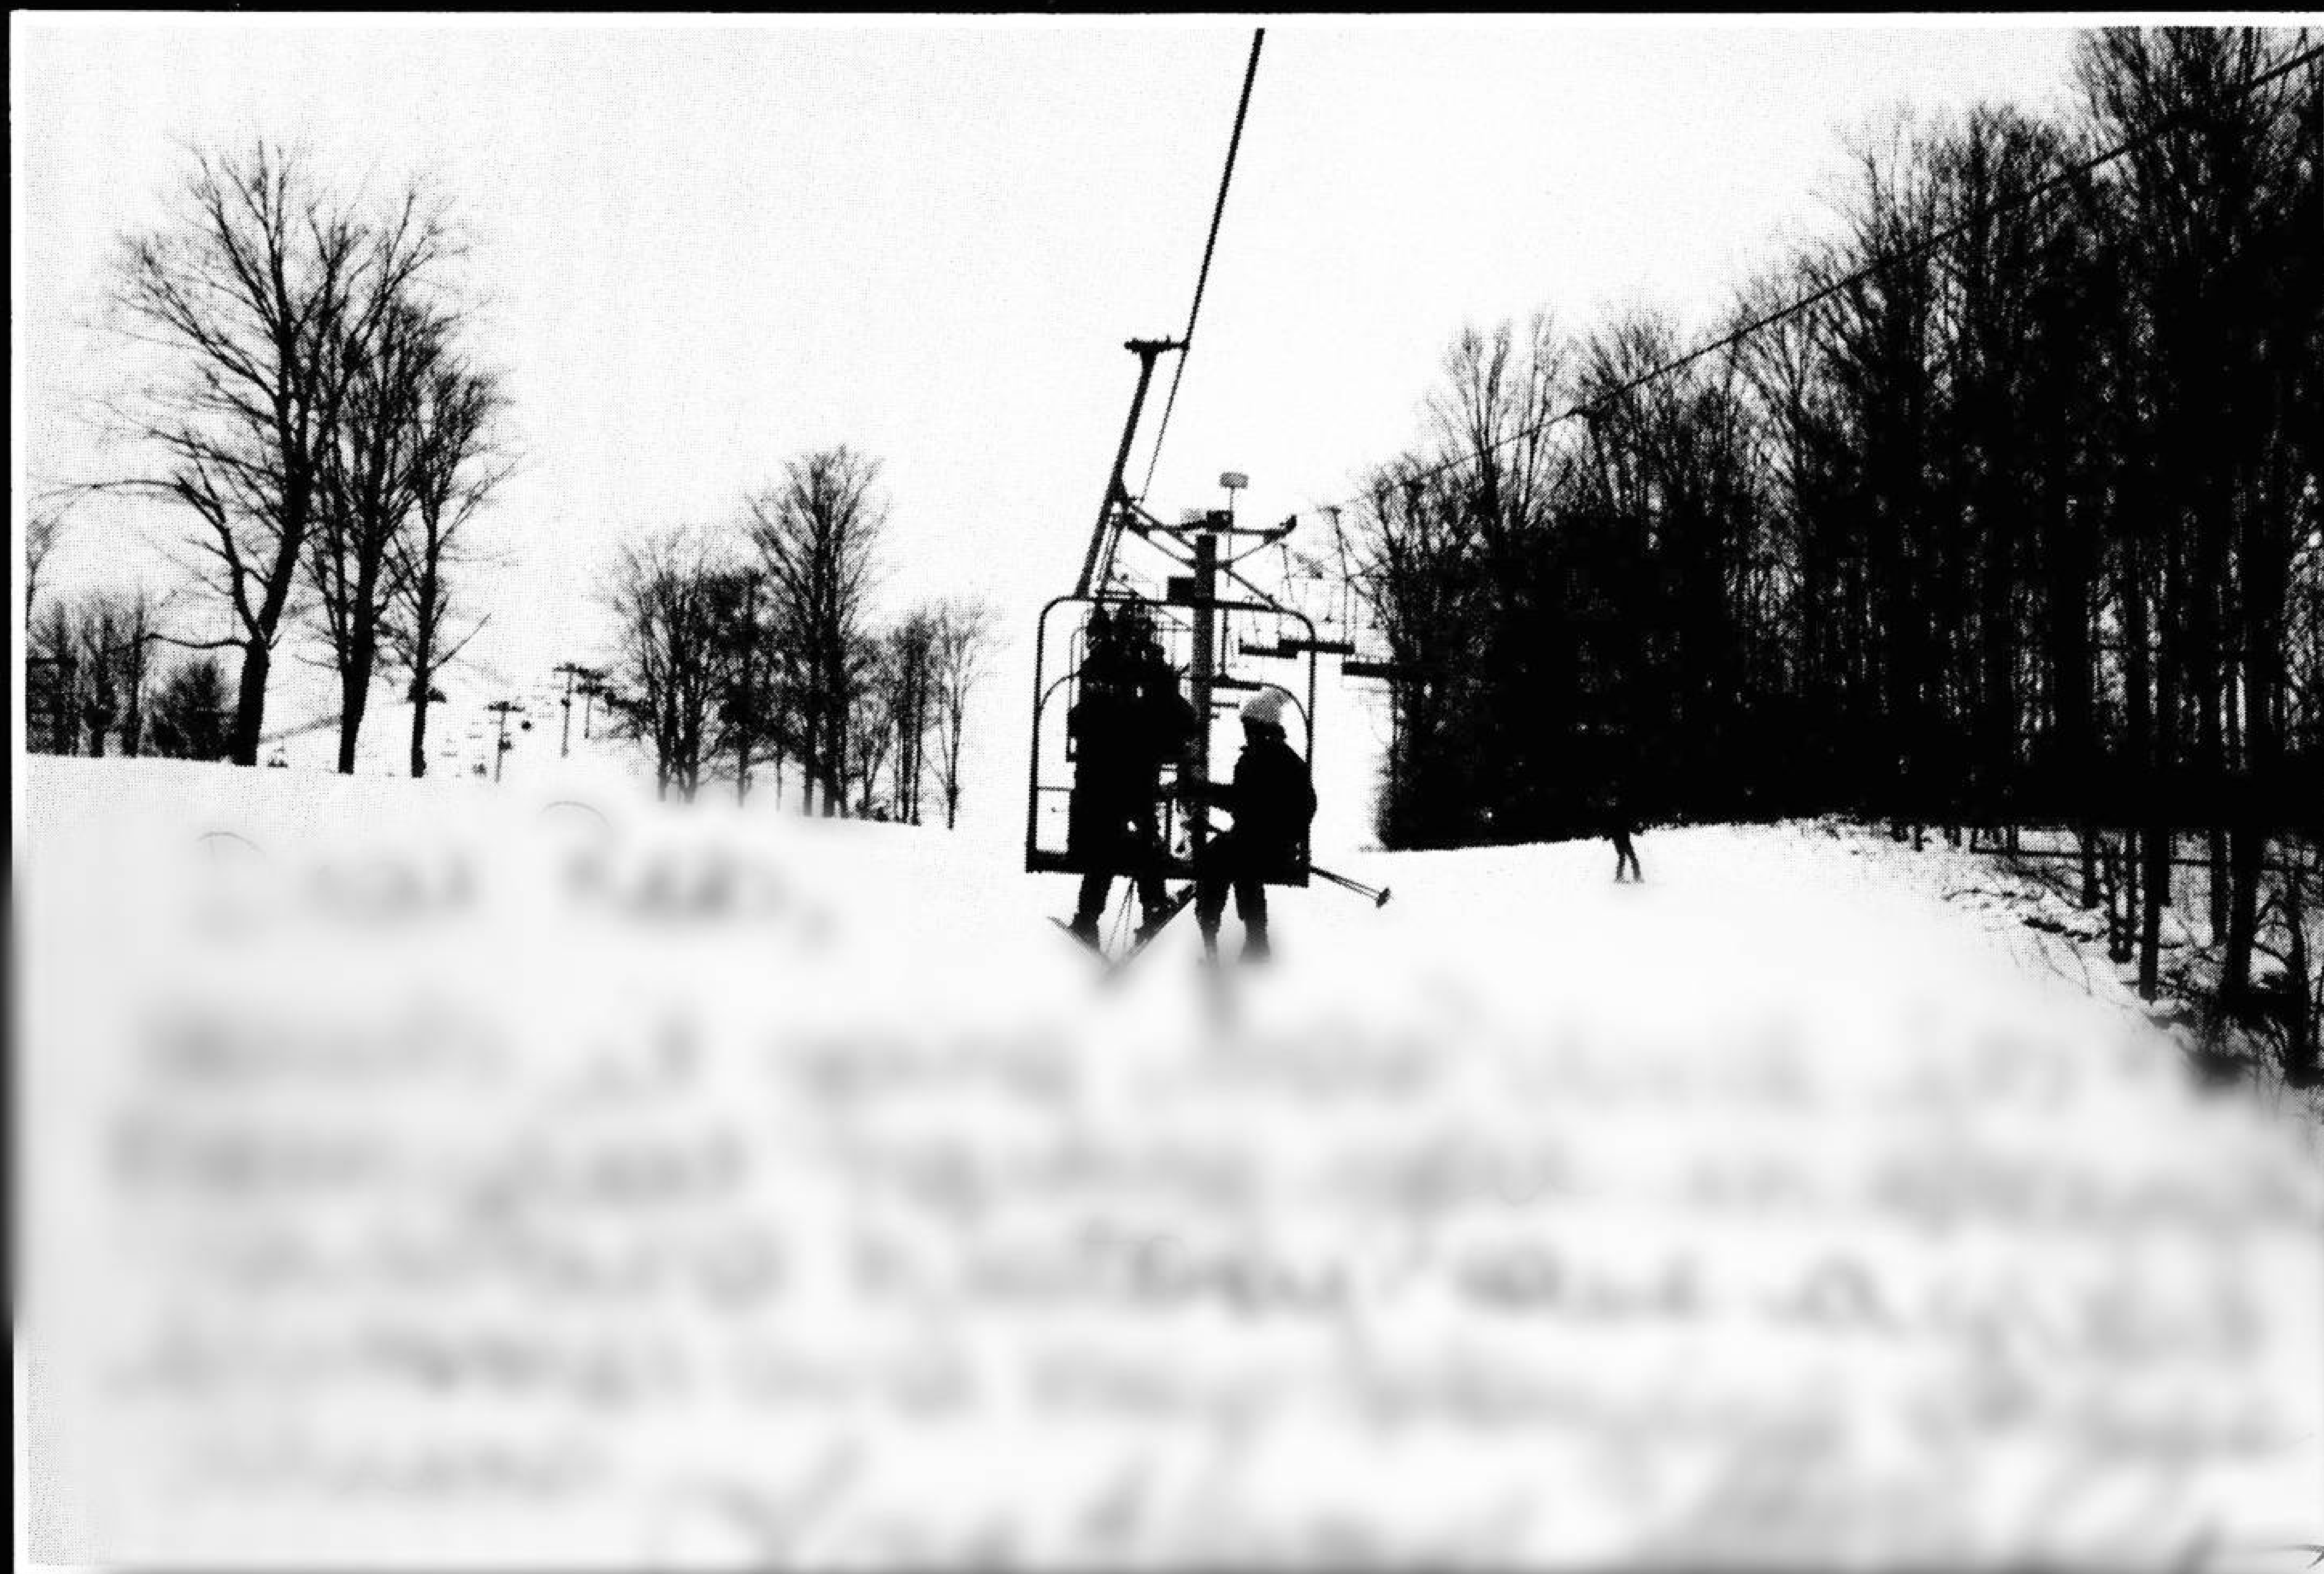

Far Away

you sit at a table
far away
I watch you
wishing it would be
as it used to be
in my mind
from the past
I see you
walking over here
asking me what's wrong
but it is not the past
you are not here
you are sitting at a table
far away
